Extracting Setup.exe	
(********	
Cancel	

Once the file has extracted, navigate to your desk top and double-click on the setup.exe file to launch the software. A smaller window verifying the installer will appear.

### Installation

The Installation Wizard will then launch. Click Next to continue.

### **End-User License Agreement**

Next, please read through the End-User License Agreement. Please click "I Agree"

## **Beginning Installation**

Click Next to continue.

### Click Install to begin.

🚽 U.B. Funkeys Setup			
Fünkeys			×
	Check the components you wa Please insert U.B. Funkey devi	nt to install and uncheck the compo ce to USB port, and click Install to s	onents you don't want to install, start the installation.
	Select components to install:	Create Start Menu Icon	Reservation Position your mouse over a component to see its description.
	Space required: 246.3MB		
	< Ba	ck Install	Cancel

Please wait while the green bar progresses.

### **Driver Installation**

When prompted, please make sure the U.B. Funkeys<sup>TM</sup> Hub is NOT connected and click Next

#### The software will now install the necessary drivers.

After the drivers are installed, you will be prompted to plug in your Hub.

# **Completing Installation**

Once the software completes installation please click Next.

Make sure that Run U.B. Funkeys is checked and click Finish. The game will launch.

### First Time In Game

## **Creating Player**

Clicking CREATE PLAYER or login the first time the software is loaded will open this screen. Please enter all information requested.

### Introduction

The game will load and play a brief introduction.

## Update

The software should then check to see if there are any new updates.

### Found New Update

When the software prompts you, click "YES, BEGIN THE DOWNLOAD"

## Downloading

The download will now start.

## **Download Complete**

Once the download completes, click the LET'S GO Button. The software will close. PLEASE WAIT until the software opens by itself. This may take a couple of minutes.

Once the game launches you will be able to log in and play!
