

Healthy Care™ High Chair Rework

There has been a rework announcement for these products.

Mattel, in cooperation with relevant safety regulators are voluntarily reworking Healthy Care™ High Chairs. These high chairs have a frame that folds flat for storage and a three position reclining seat. The model number of the high chair is located on the back of the seat.

Healthy Care™ High Chairs contain tray storage pegs on the rear legs that children can fall on or against posing a laceration hazard.

Only Healthy Care™ High Chairs with tray storage pegs on the rear legs are included in this rework. No other high chairs are affected.

H1152 Healthy Care™ High Chair

Use this online guide to determine if the high chair you own is affected by this rework.

Please have your high chair near you as you continue.

Locate your high chair's product number. The product number is located on a white sticker on the back of the seat. Please use the below image to assist you in locating the product number.

Healthy Care™ High Chair

If your Healthy Care™ High Chair is not product number **H1152**, you are **not affected** by this rework and you can continue to use your high chair.

If your Healthy Care™ High Chair is product number **H1152** or if you do not know the product number of your high chair, Please turn your Healthy Care™ High Chair around to view the back of the product.

Sample Image of Products (Colors, fashion, and toy accessories vary)

Does your Healthy Care™ High Chair have the tray storage pegs as illustrated in the above sample images?

- 1) If your High Chair does not have tray storage pegs as illustrated in the above image, you are **not affected** by this rework and can continue to use your High Chair
- 2) If your Healthy Care™ High Chair has tray storage pegs that match the above image you **are affected** by this rework.

Please discontinue using your Healthy Care™ High Chair immediately.
