

NASCAR® SHOWDOWN™

ELECTRIC RACING SET

1 CONTENTS

First, lay out the parts below. Try grouping track pieces and accessories separately. Then assemble your set, following the steps in order. Part numbers (listed above each track description) appear on underside of each track piece. PLEASE KEEP THIS SPECSHEET FOR FUTURE REFERENCE: IT CONTAINS IMPORTANT INFORMATION.

SCENERY

Carefully punch out cardboard pieces from large sheet.

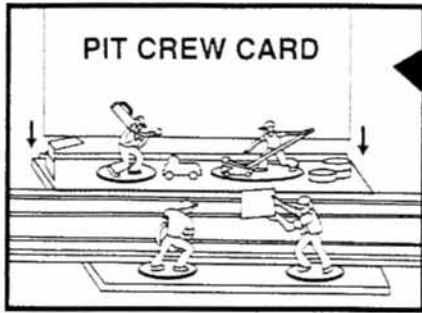

<p>(2) Display Bases</p>	<p>(2) Pit Crew Cards</p>
--------------------------	---------------------------

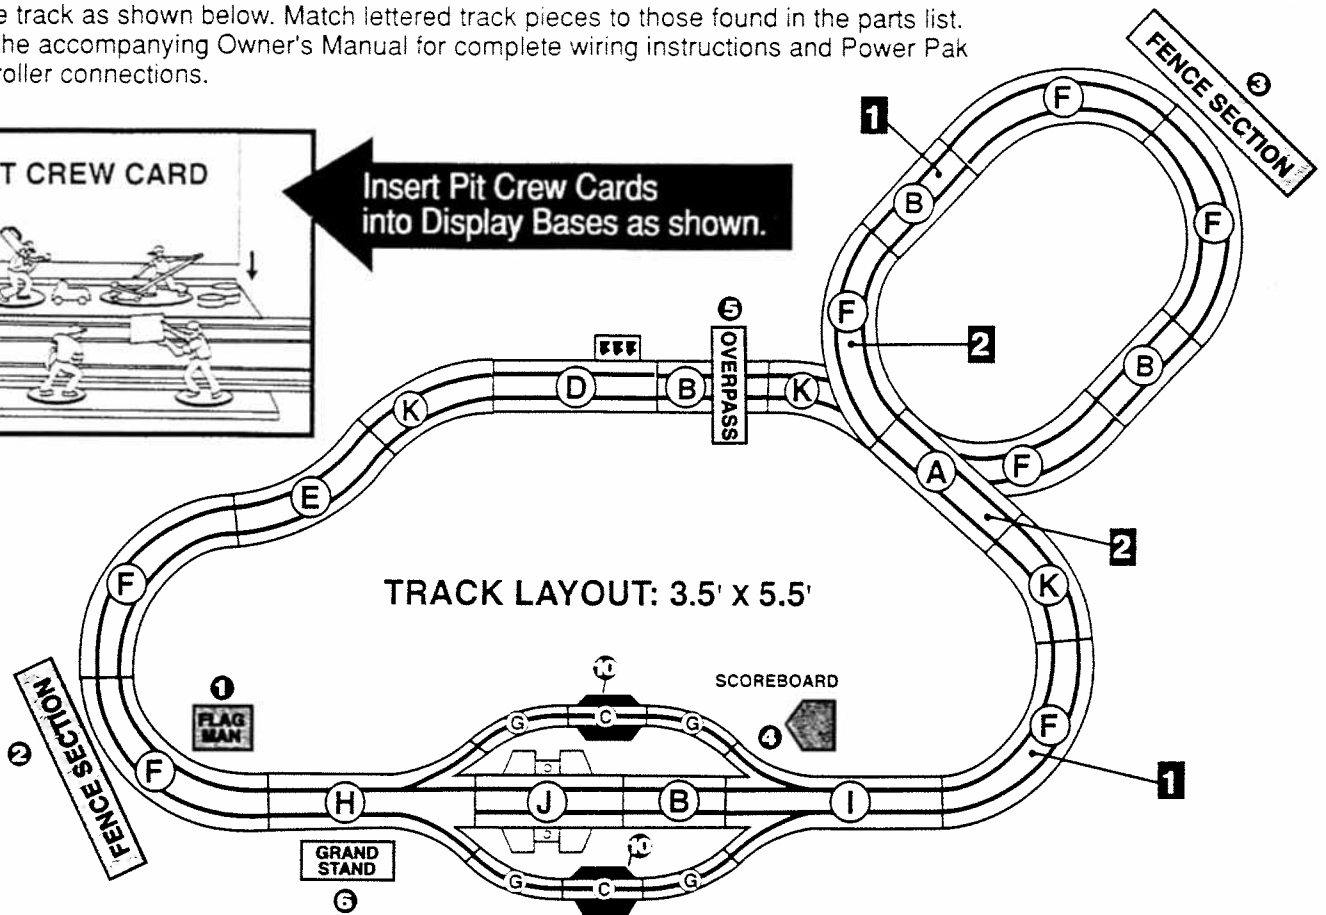

ALWAYS CLEAN TRACK RAILS AND TIRES BEFORE EACH RACE.
(See accompanying Owner's Manual for details.)

2 TRACK LAYOUT

Assemble track as shown below. Match lettered track pieces to those found in the parts list. Refer to the accompanying Owner's Manual for complete wiring instructions and Power Pak and controller connections.

Insert Pit Crew Cards into Display Bases as shown.

3 SCENERY ASSEMBLY

Fold and assemble scenery pieces as shown. (Please refer to layout diagram and package photos for scenery placement).
