# Pull the string on my back, hold me by the handle and I can really spin!

Attach the handle to the doll's waist band.

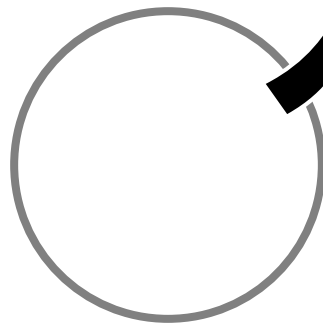

Make sure the doll's arms are horizontal, towards the front of the doll, and **above** the waist.

Holding the handle in one hand, gently pull the string in and out with your other hand.

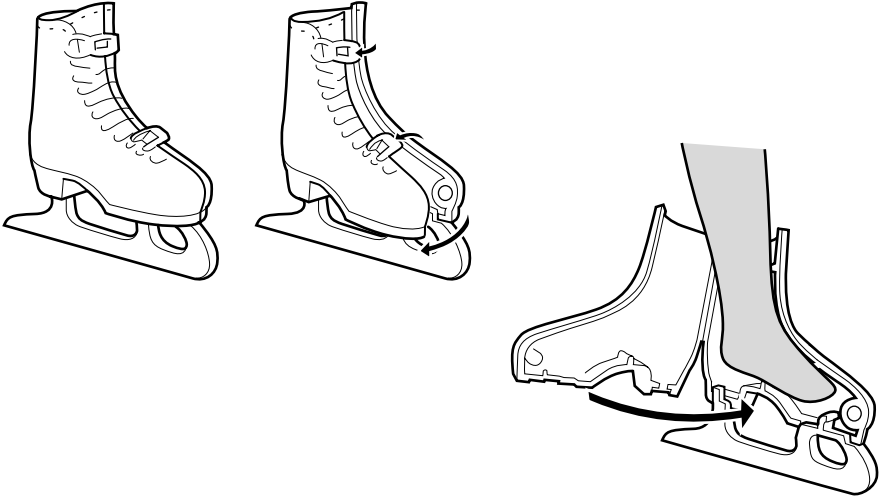

For better twirling action, bend Barbie® doll's knees slightly.

Your doll twirls and twirls!

# Ice Skates

Unsnap the buckles on the skates. Open the skate and put the doll's foot inside. Close the skate around the foot. If the skate's blade should fall out, simply put it back in the skate as shown.
