Keep these instructions for future reference as they contain important information.

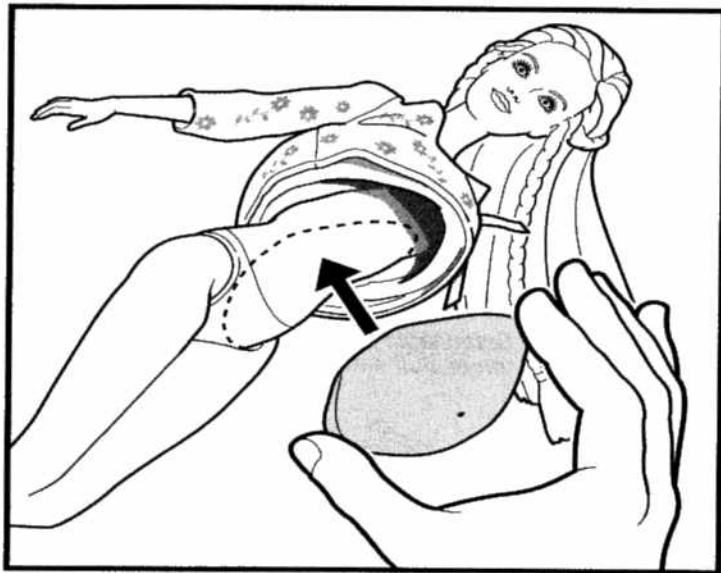

Put the baby's arms and legs as shown.

Place baby as shown.

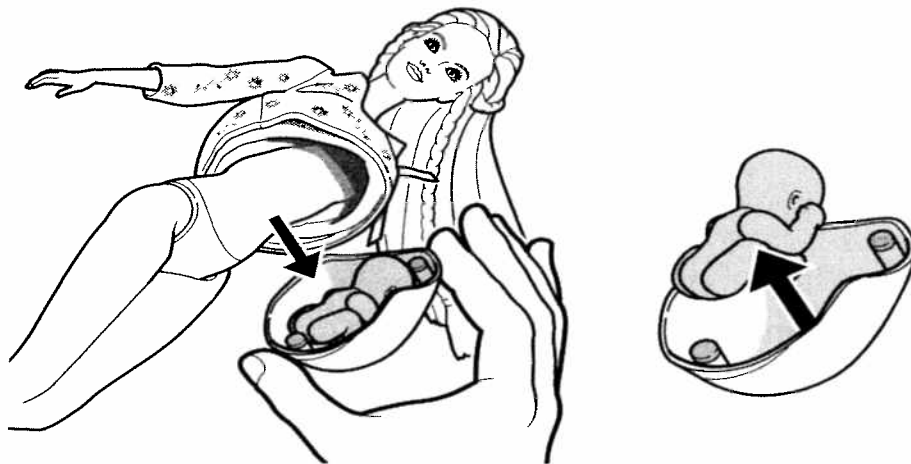

Hold mom facing down to attach tummy. Magnets on the top and bottom of tummy "attach" it to mom, as shown. It only goes on one way.

Baby doll fits inside Mommy doll's tummy.

Midge can't wait for her new baby to arrive!

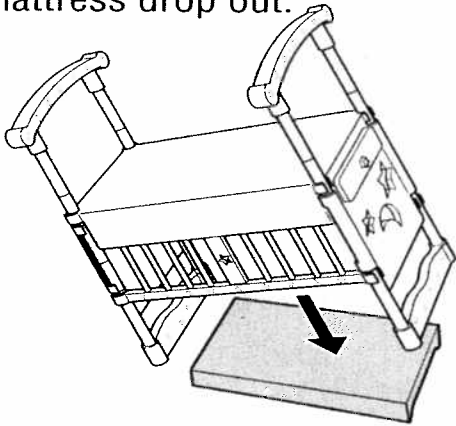

It's a girl!

What are you going to name the baby?

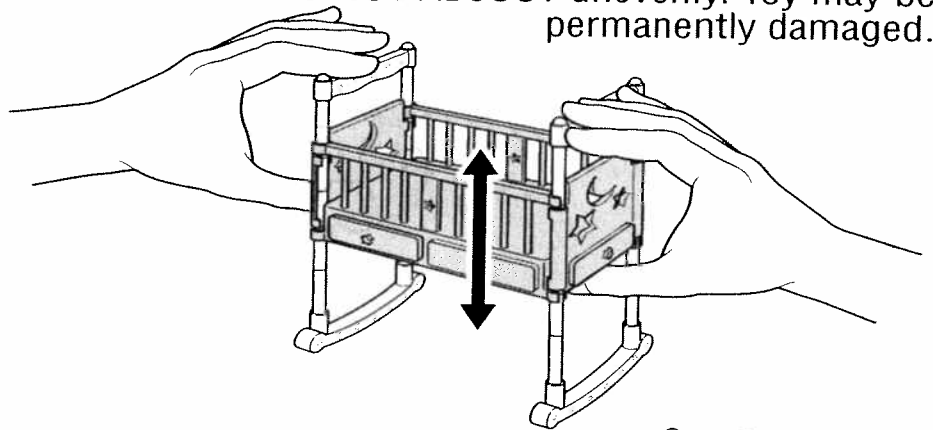

Crib

1. Take out mattress. Turn crib upside down and let the mattress drop out.

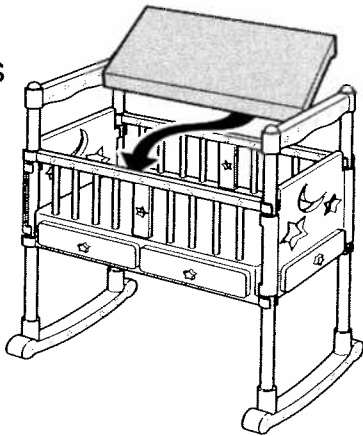

2. Gently slide both sides of the crib up or down to one of three predetermined locations. The crib bed "snaps" into one of 3 locations.

DO NOT ADJUST unevenly. Toy may be permanently damaged.

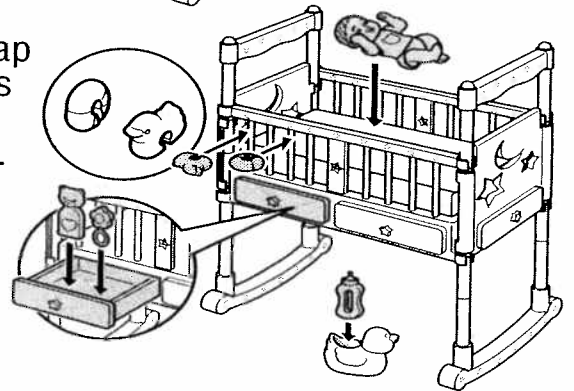

3. Replace mattress at an angle as it goes into the crib. The crib gently rocks.

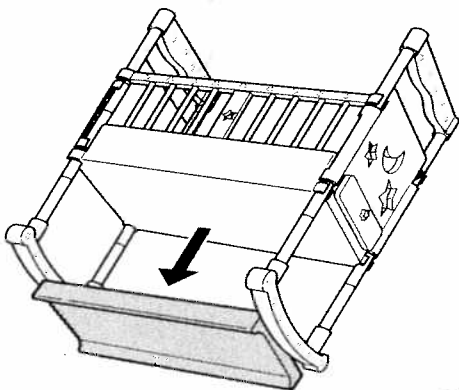

Sliders snap onto crib rungs and slide up and down.

Left front drawers opens in crib mode only.

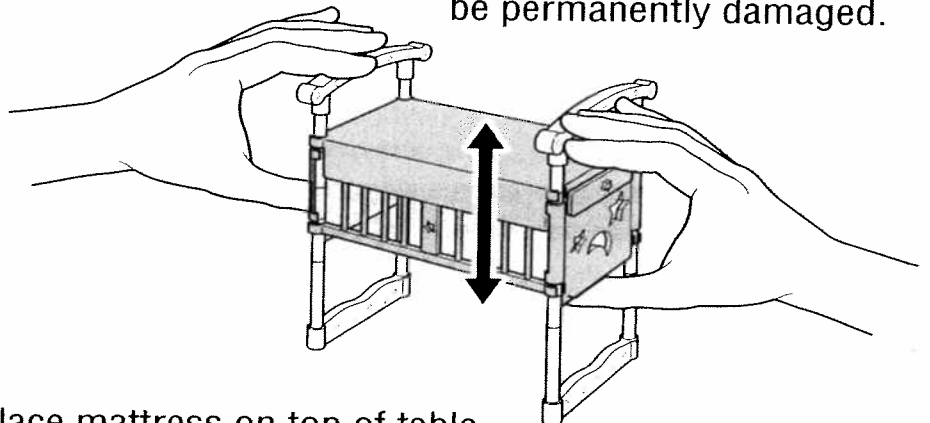

Changing Table

1. Remove mattress.

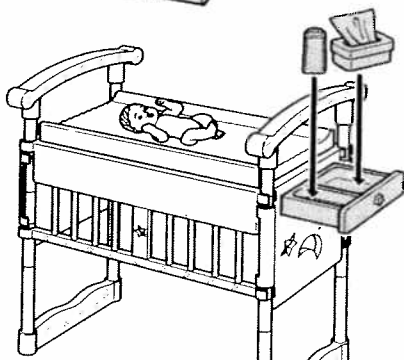

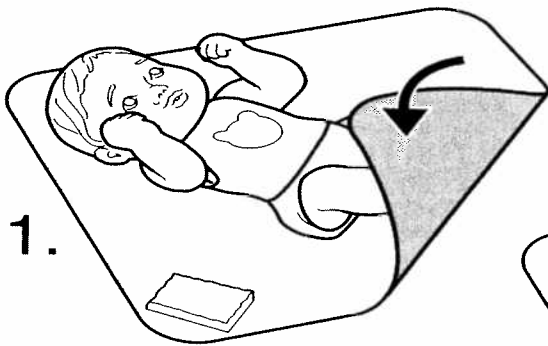

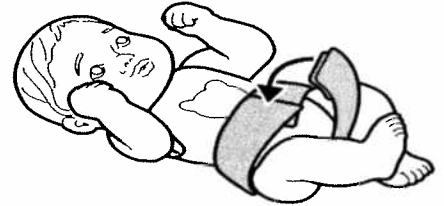

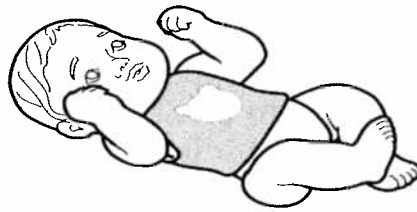

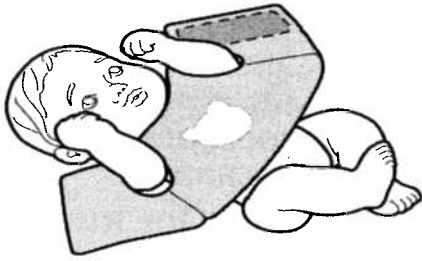

2. Gently slide both sides of the changing table up or down to one of three predetermined locations. The changing table "snaps" into one of 3 locations.

DO NOT ADJUST unevenly. Toy may be permanently damaged.

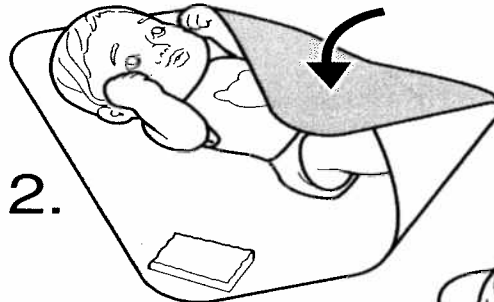

3. Place mattress on top of table. The changing table is steady on its straight legs. Side drawer opens to keep the baby powder and baby wipes handy (not for storage).
