

## IMPORTANT!

Please use this instruction to properly assemble the shelves to the front and back panels.

Model Number 75423

- Follow assembly steps 1 through 8 on the original instruction sheet.
- Look down through the top of a side panel and note the tabs on the front and back panels.

**Hint:** The edge of the shelf should be covering these tabs. Please follow these instructions to fit the shelf over these tabs.

- While lifting the shelf slightly, push it so that the edge hooks over both tabs on the front and back panels.

**Hint:** You may need to press lightly on the inside of the front and back panels at the same time to bring all the parts together.

- Repeat this process to secure the other shelf to the other side of the front and back panels.

Now, continue with step 9 on the original instruction sheet to complete assembly of the kitchen.
