Black Knob Retainer

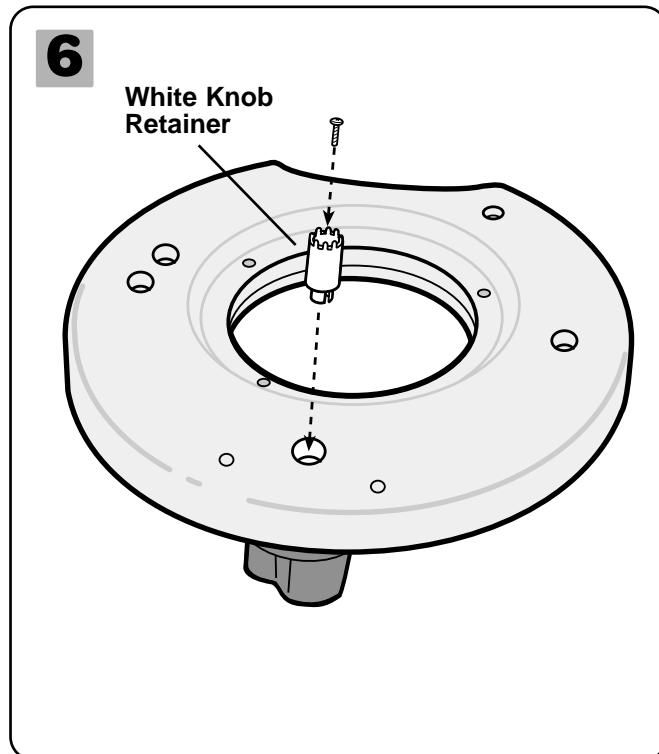

Red Musical Note Knob

- Locate the red musical note knob on the yellow Play and Learn Ring.
- Turn the yellow Play and Learn Ring over. While holding the red musical note knob, remove the screw in the black knob retainer, using a Phillips screwdriver.
- Remove and discard the black knob retainer, red musical note knob, and screw.

Replacement Instructions

- Turn the yellow Play and Learn Ring over so the top is upright.
- Fit the new, purple musical note knob into the topside of the yellow Play and Learn Ring.

- While holding the purple musical note knob in place, turn the yellow Play and Learn Ring over.
- Insert and fit the smaller end of the new, white knob retainer into the yellow Play and Learn Ring. (You may need to turn the knob retainer until it drops into place.) Make sure the new, white knob retainer is flush with the yellow Play and Learn Ring surface.
- Insert the remaining screw (provided) through the knob retainer and into the new, purple musical note knob. While holding the purple musical note knob, tighten the screw with a Phillips screwdriver. Do not over-tighten.

Replacement is now complete.
