# Welcome to the Imaginext™ System

**The Imaginext™ system lets your child's imagination come alive. With easy snap together panels, kids can build different structures in lots of different ways. Use some of the parts or all of them!**

*Preschool children will enjoy using all parts of this toy to build structures of their own creation. At first they will need parental assistance to build the structure on the front cover. It may be easier to use our step-by-step instructions and give your preschooler only the parts that will be assembled in each step. The more your child plays with this toy, and development and skill increases, the less assistance your child will need!*

**Please keep this instruction sheet for future reference,  
as it contains important information.  
For children 4-10 years.**

## Let's Build It!

**Proper label application will help to keep the labels looking their best!**  
**When applying labels, keep the following guidelines in mind:**

- Wash your hands before applying the labels.
- Before applying the labels, wipe the surfaces of this toy with a clean, dry cloth to remove any dust or oils.
- Place the labels exactly as shown in the illustrations.
- For best results, avoid repositioning a label once it has been applied.

### **WARNING**

Warning – Choking Hazard  
Not recommended for children  
under 3 years because it contains  
small parts that can be swallowed.
