

ID. BMM91-0920G1

Keep these instructions for future reference as they contain important information.

CT = Curved Track
ST = Straight Track
AT = Ascending Track

TRACK LAYOUT

HOW TO PLAY

1. Set the logs into place by lifting the waterfall until all the logs slide to the top.
2. Press down on the top of the waterfall to make sure it is securely in place.
3. As your engine drives over the saw-blades it sends the logs down the waterfall.
4. The logs then form a floating bridge for your engine to travel over.
