## WARNING

To prevent possible entanglement injury, **NEVER** place gym or suspend links in crib or playpen. **NEVER** add strings, ties or other products to this item.

## Assembly

- Fit the slots in the arch into the slots in the legs.
- Push down firmly on the arch to **"snap"** it into the legs.

- To attach an activity link to an activity toy, gently pull open the activity link and slide the activity toy onto the activity link.
- To attach an activity toy to the play gym, gently pull open the activity link to clip it onto one of the attachment tabs on the play gym.

## Helpful Hints

- Pull the bee to hear fun music!
- The activity toys can be detached from the gym for take-along fun, wherever you and baby go!
- For a young baby we recommend assembling the activity links as shown in the photo above. This activity links arrangement will allow baby to reach the activity toys while lying underneath the play gym.
- Rearrange the activity toys in different locations to keep baby amused!
- As baby grows, you can remove some of the links from the play gym to keep the activity toys within baby's reach.

## Battery Safety Information

Batteries may leak fluids that can cause a chemical burn injury or ruin your toy. To avoid battery leakage:

- Never short-circuit the battery terminals.
- Do not charge non-rechargeable batteries.
- Do not dispose of this toy in a fire. The batteries inside may explode or leak.

## Care

- Wipe the Fun Links Gym™ and activity toys with a clean cloth lightly dampened with a mild cleaning solution. Wipe dry with a clean cloth.
