

Battery Replacement

Replace batteries when sound becomes distorted or lights dim. To replace batteries, use a Phillips head screwdriver (not included) to open battery cover. Insert 3 new AG13 (LR44) button cell batteries as shown. Use either AG13 (LR44) button cell batteries or equivalent. Replace battery cover and tighten screw. When exposed to an electrostatic source, the product may malfunction. If this problem occurs, reset the product by reinstalling the batteries. For longer life use alkaline batteries .
