

Keep this instruction sheet for future reference,
as it contains important information.

Requires four AA (LR6) **alkaline** batteries (included) for operation.

Batteries included are for demonstration purposes only.

Battery replacement is required. Only adults should replace batteries.

Tool required: Phillips screwdriver (not included).

Toy is surface washable. Wipe with a clean, damp cloth. Do not immerse.

This toy has no consumer serviceable parts. Do not take apart.

The blocks that come with this toy can be used with the
First Words Smart Puppy to unlock even more fun!

Battery Replacement

- For longer life, use **alkaline** batteries.
- Loosen the screw in the battery compartment door and remove the door.
- Remove the exhausted batteries and properly dispose of them.
- Insert four, new AA (LR6) **alkaline** batteries.
- Replace the battery compartment door and tighten the screw.
- If this toy begins to operate erratically, you may need to reset the electronics. Slide the power/volume switch off and back on.
- When sounds/lights/movement become faint or stop, it's time for an adult to replace the batteries.

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable.
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

All aboard the learning train!

Motor Switch
(on bottom of train)

Power/Volume Switch
(on bottom of train)

- Slide the power/volume switch to ON with low volume , ON with high volume  or OFF .
- Slide the engine switch to ON  or OFF .
- When the motor switch is ON press the smoke stack to see the train chug along.
Hint: The train runs for approximately 10 seconds with each press. If the train is picked up while in motion the wheels will stop turning.
- For best performance use on hard, flat surfaces.

- Slide the Smart Stages™ Switch to:
 - 1 Explore:** Enjoy lights, music, sound effects and phrases that identify colors, numbers and shapes with each press of the smokestack, letter or shape button.
 - 2 Encourage:** Press the smokestack, letter or shape buttons to hear phrases that prompt baby to find colors and shapes. Listen for an encouraging phrase when you identify the correct button!
 - 3 Pretend:** Press the smokestack, letter or shape buttons for phrases that teach baby about transportation and encourage pretend play!

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes : (1) il ne doit pas produire de brouillage et (2) il doit pouvoir tolérer tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre son fonctionnement.

Protect the environment by not disposing of this product or any batteries with household waste. This symbol indicates that this product shall not be treated as household waste. Check your local authority for recycling advice and facilities.

FCC STATEMENT (UNITED STATES ONLY)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
