Doll cannot stand alone.

**WARNING:**  
CHOKING HAZARD - Small parts.  
Not for children under 3 years.

Requires 1 AAA (LR03) alkaline battery (not included).  
This product is not recommended for use on loose dirt or wet surfaces. Do not immerse in water.  
Please remove everything from the package and compare to the contents shown here. If any items are missing, please contact your local Mattel office. Keep these instructions for future reference as they contain important information.

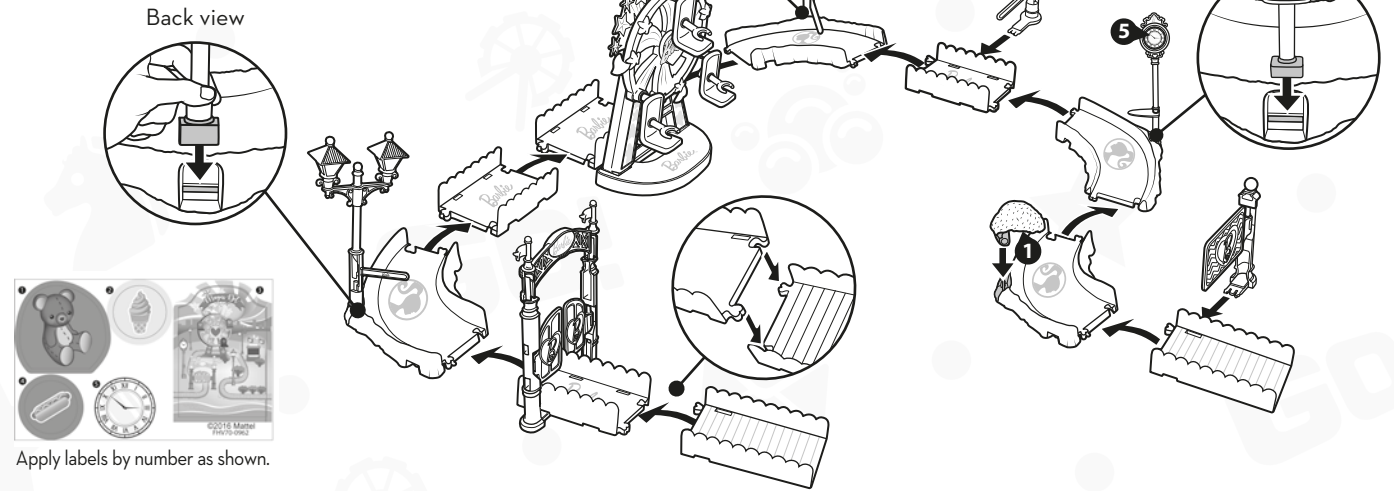

# ASSEMBLY

## Battery Installation

Use a Phillips head screwdriver (not included) to open battery door. Insert 1 AAA (LR03) battery (not included). Do not connect to more than the recommended number of power supplies. Replace battery door and tighten screw. Dispose of battery safely. Replace battery when horse doesn't move. For longer life, use only alkaline battery. When exposed to an electrostatic source, the product may malfunction. To resume normal operation, remove and re-install the battery.
