### Helpful Hints

**★ ONE-TIME SNAP:** Assembly step that is marked with a star is "one-time snap". Once this part is put together, it cannot be taken apart.

 Track marking codes are found on the bottom of tracks.

Note: Some engines may not work on this track set.

**ADULT ASSEMBLY REQUIRED.** No tools needed.

# Assembly

1

2

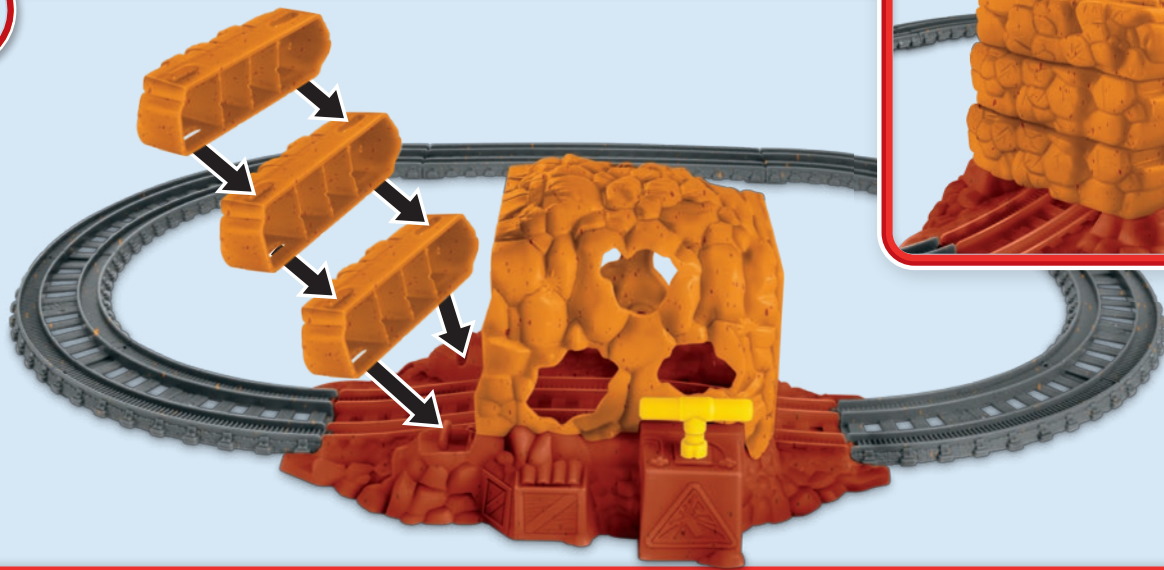

# Track Layout

# How To Play

The engine should move forward in the direction shown in the images.

1

Pile the rocks on the exit of the tunnel.

2

The engine rolls into the tunnel and is trapped inside.

3

Press the TNT detonator handle, the rocks explode and the engine is released.

# Battery Information

## BATTERY INSTALLATION

Access the battery compartment by unscrewing and separating the top half of the engine from the bottom half of the engine. Install the batteries as indicated inside the battery compartment. Re-assemble the two halves of the engine, re-insert the screw and tighten. If the product begins to malfunction, check the battery installation. You may need to reset the electronics by removing the batteries and reinstalling them. If the product continues to malfunction or no longer operates, remove the batteries from the toy and replace them with fresh batteries. Requires 2 "AAA" (LR03) batteries. For longer life use only alkaline batteries.

**Required tool: Phillips screwdriver (not included)**

## BATTERY SAFETY INFORMATION

In exceptional circumstances batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the product before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
- Do not mix old and new batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- The supply terminals are not to be short-circuited.
- Dispose of batteries safely.
- Do not dispose of this product in a fire. The batteries inside may explode or leak.

Protect the environment by not disposing of this product or any batteries with household waste. This symbol indicates that this product shall not be treated as household waste. Check your local authority for recycling advice and facilities.

**CAUTION:**  
To prevent entanglement,  
keep hair away from wheels.
