FIG-FNJ74-01

AL-FNJ74-01 - STICKER SHEET

STICKER PLACEMENT

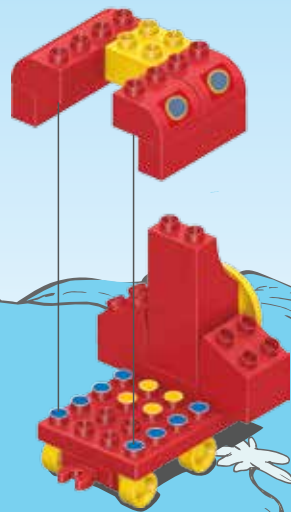

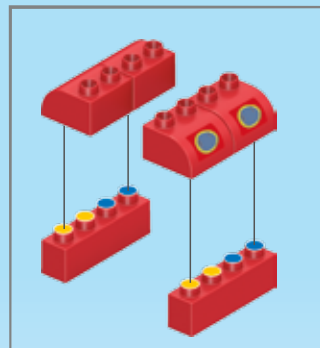

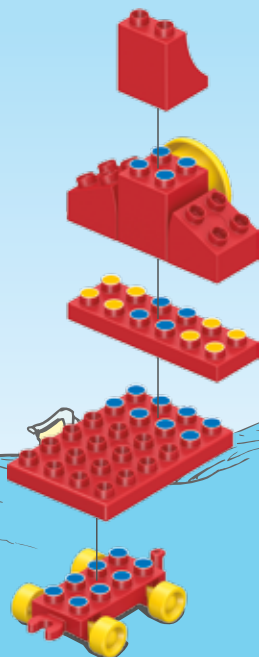

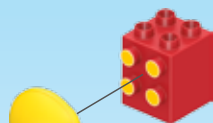

Are you **ready** to **start**?
Me too! My **excitement's** growing!
Can you **help** me build my **ride**?
Turn the page to get **going**.

1

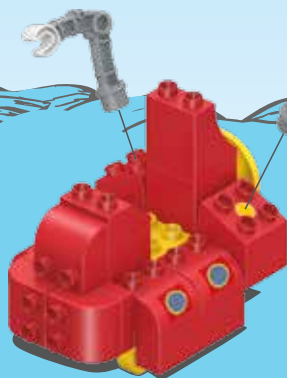

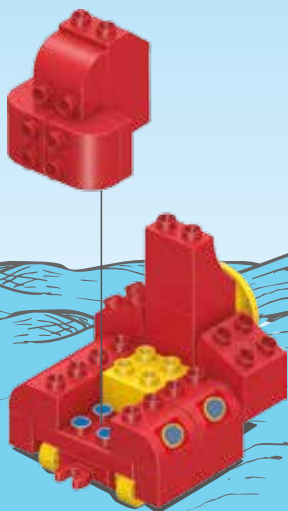

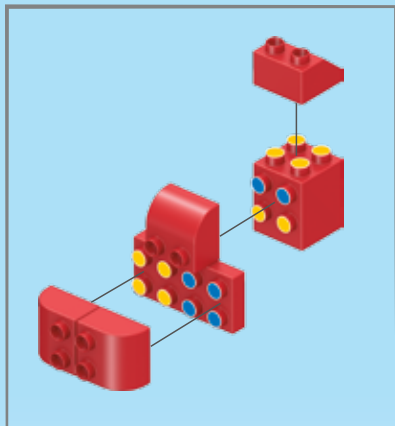

Let's build a **thingamajigger**,
without further delay,

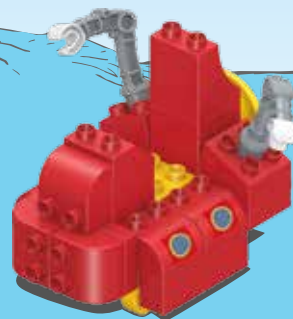

1

2

3

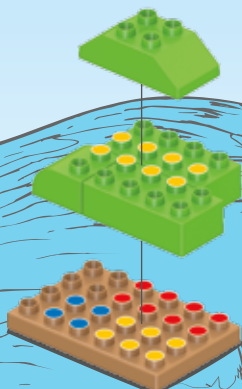

5

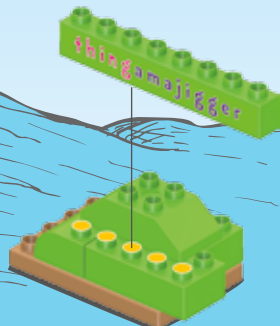

6

3

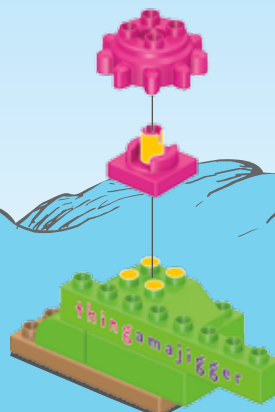

Then please build a ramp,
where I'll race down and away.

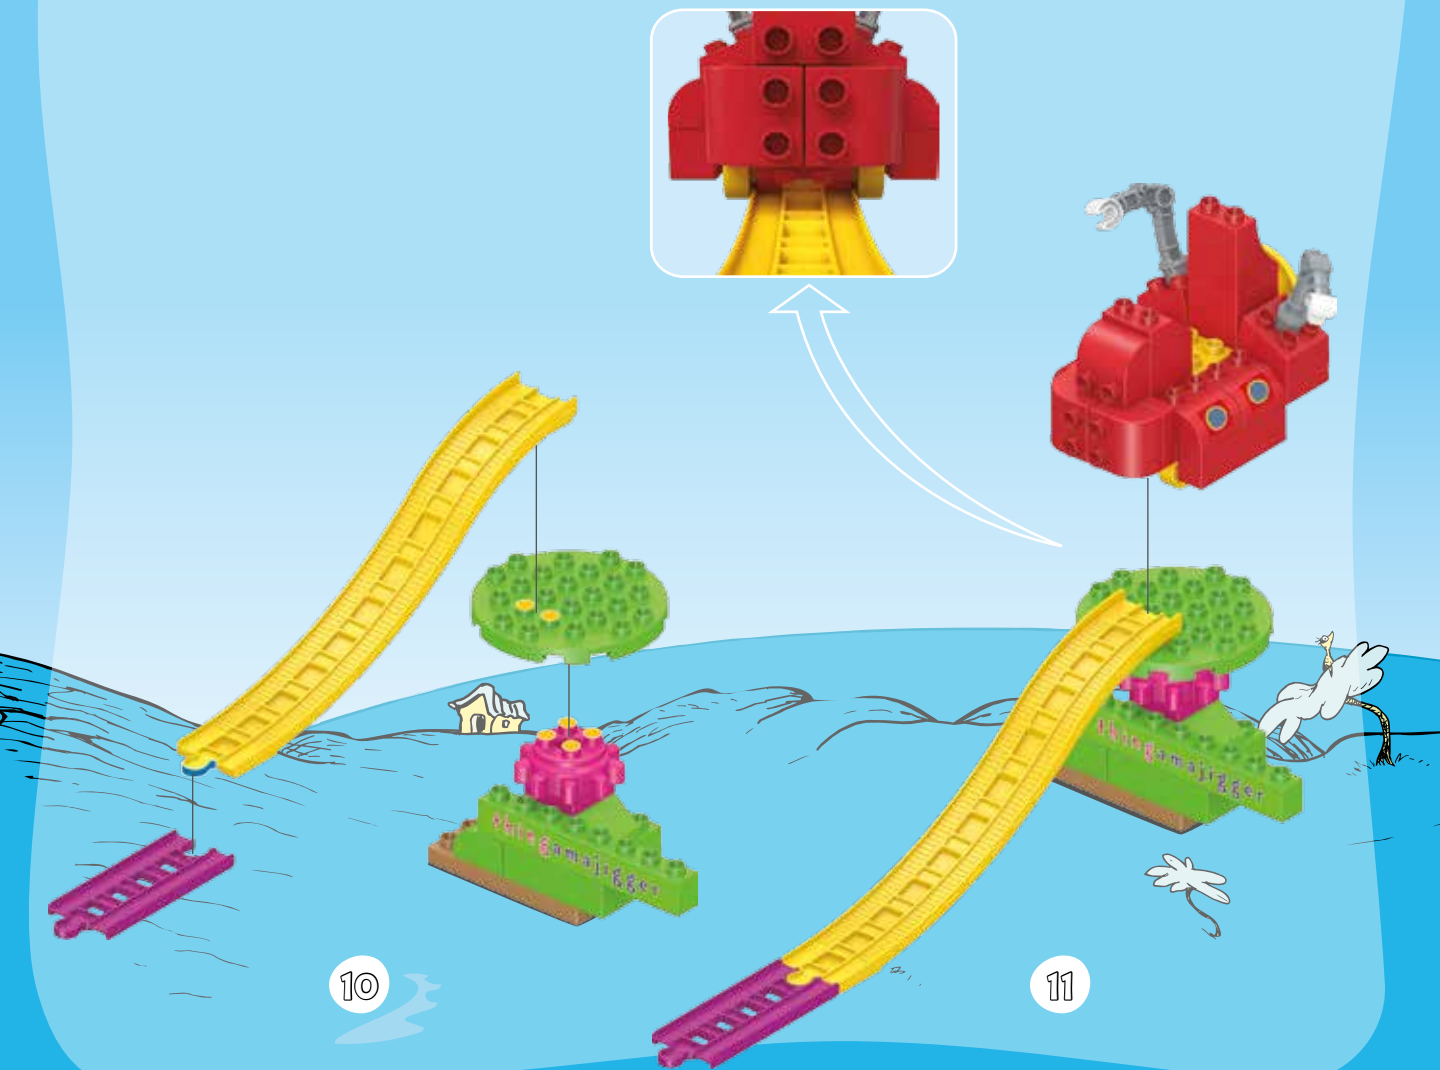

7

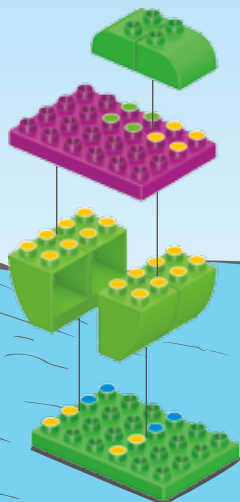

8

9

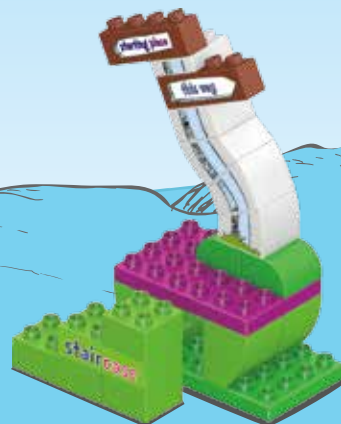

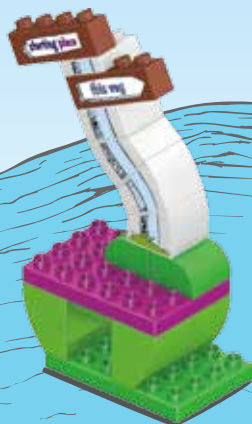

Build the **bridge** base and **staircase**,
To help me **step up** from the side.

A vertical sequence of five LEGO bricks connected by lines, showing a path from a green base to a brown brick with a "Surfing sign". The bricks are: a green base, a purple brick, a white brick with blue and red studs, a brown brick with a "this way" sign, and a brown brick with a "Surfing sign".

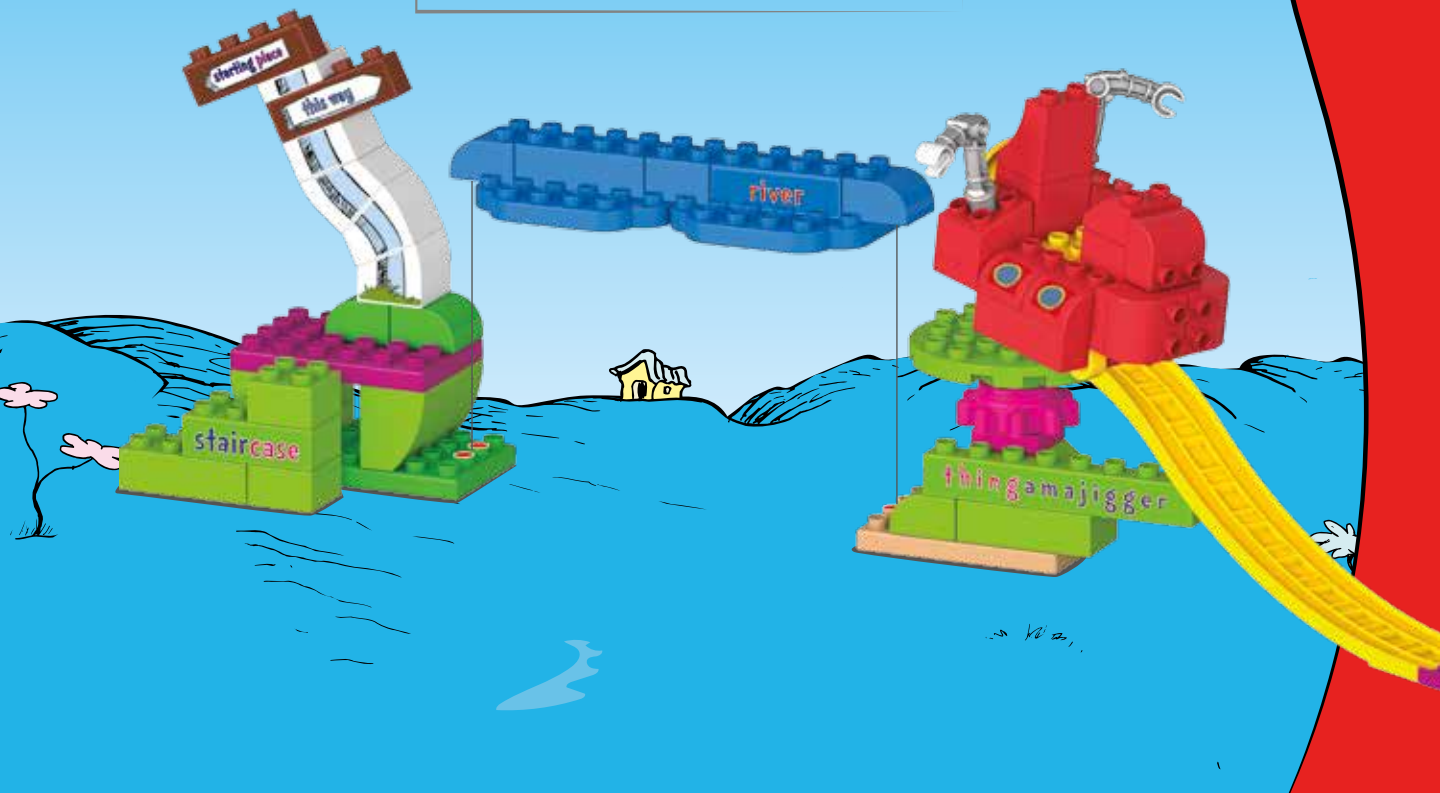

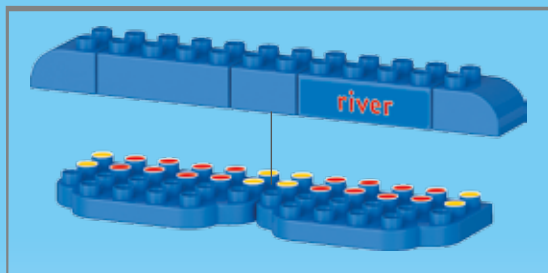

14

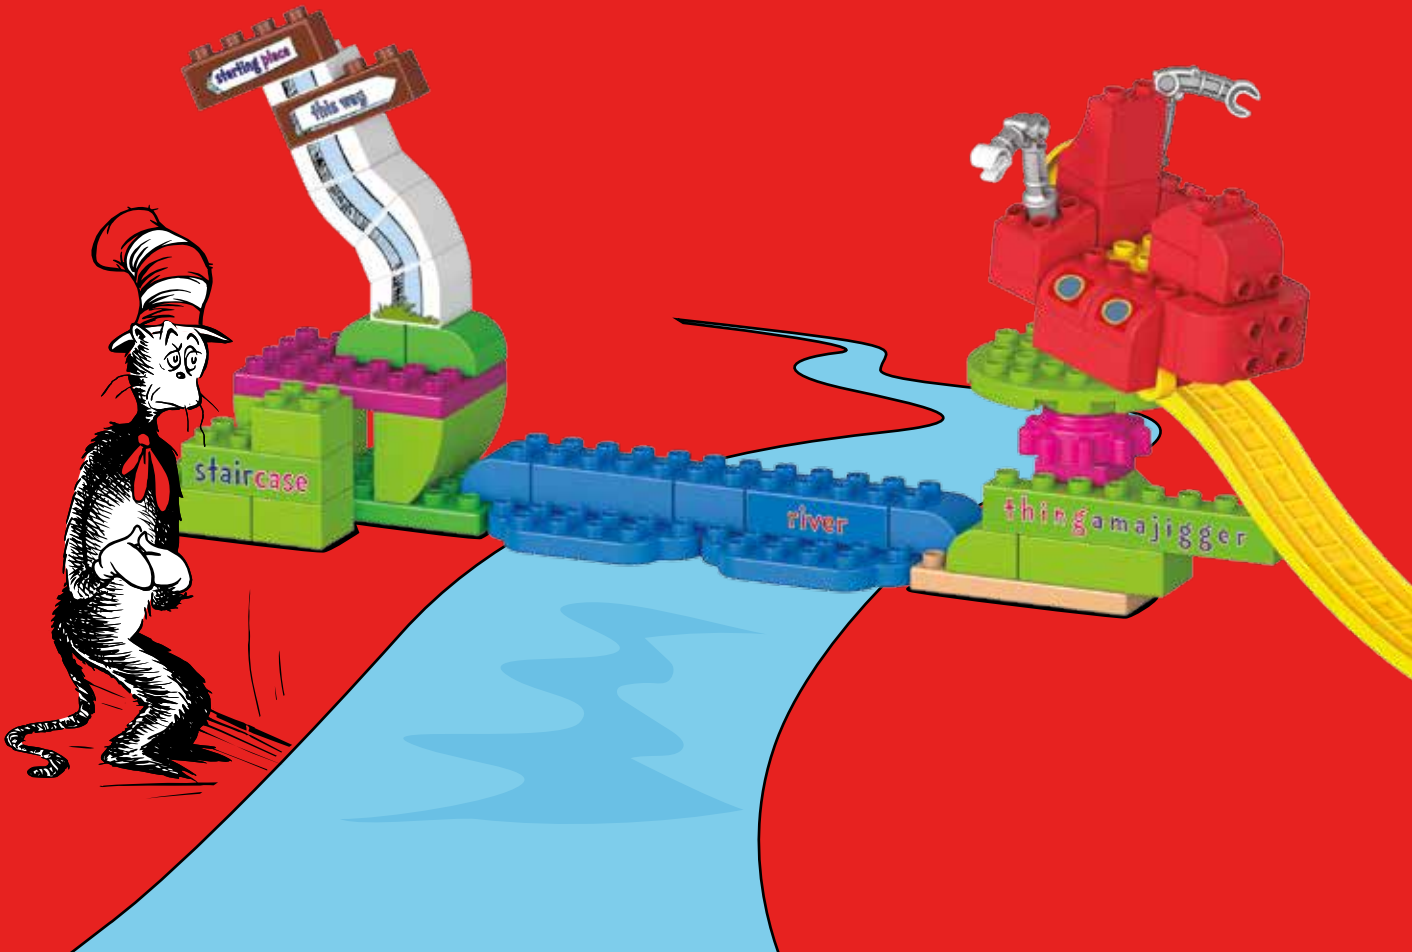

7

Put these **blue** blocks together,
It'll **cause** quite the **divide**!

Oh **no**! We've build a **river**,
Now I'm **far** from my **ride**!

Help me **across** by buildind **steps** in a row,
Block by block, here we **go**!

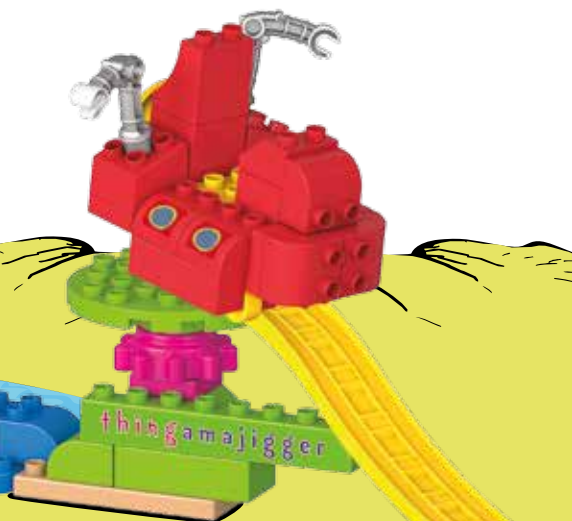

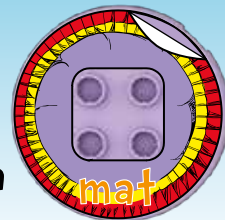

The **first** step to build,
is a **strange** one at that,
stack together as one,

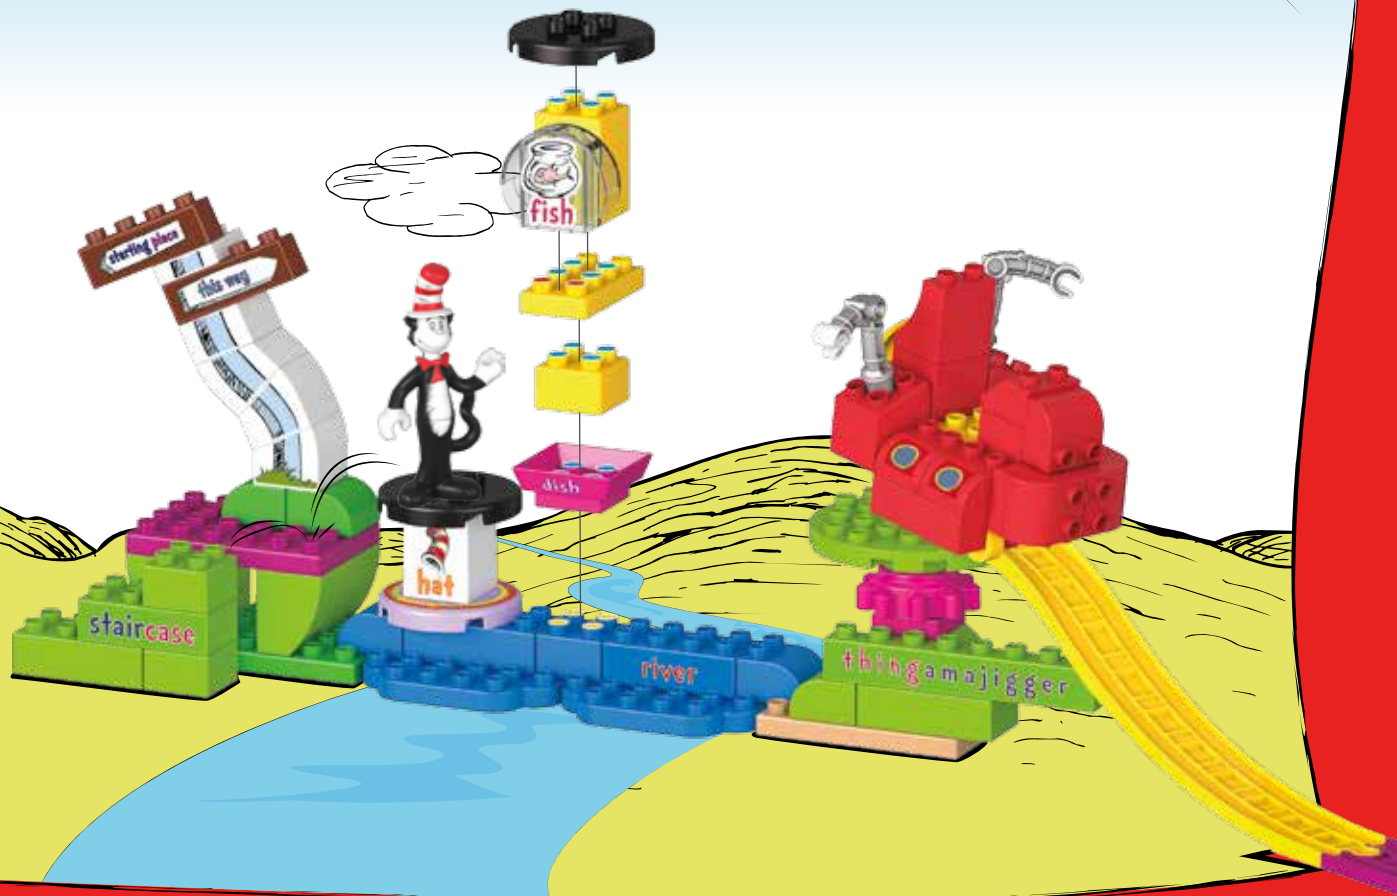

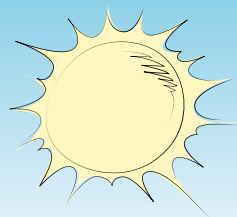

a

on a

For the next step **up**, stack a  on a  to be one step closer, to granting my wish.

For the grand finale,
and the last step to **take**,
stack it tall, stack it **high**, stack a

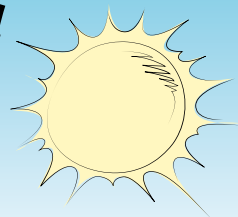

on a

I've reached my **Thingamajigger!**
you've done it! **Hooray!**
time to **zoom** down the **ramp**,
down and **away!**

Build Seussville!

Each sold separately and subject to availability.
