

TINY POWER!™ LOCKET INSTRUCTIONS

CONTENTS

Please keep these instructions for future reference
as they contain important information.

1. LET'S PLAY!

A. Put on the locket necklace.

B. Press for lights.

2. BATTERY REPLACEMENT

- Includes 3 button cell (AG13, LR44) batteries for demonstration purposes.
- Replace the batteries if lights dim.
- Unscrew the battery cover with a Phillips head screwdriver (not included).
- Remove batteries and dispose of them safely.
- Install 3 new button cell (AG13, LR44) batteries in the orientation (+/-) shown.
- Replace battery cover and tighten screw.
- For best performance, use alkaline batteries.
- When exposed to an electrostatic source, the product may malfunction.
To resume normal operation, remove and re-install the batteries.

NOTE: This product is equipped with an automatic shut-off feature that helps preserve battery life.
