

## How To Play

As Thomas and the dragon tip forward, the station collapses to reveal more track.

Thomas passes through the tunnel and automatically resets the dragon.

## Battery Information

### BATTERY INSTALLATION

Access the battery compartment by unscrewing and separating the top half of the engine from the bottom half of the engine. Install the batteries as indicated inside the battery compartment. Re-assemble the two halves of the engine, re-insert the screw and tighten. If the product begins to malfunction, check the battery installation. You may need to reset the electronics by removing the batteries and reinstalling them. If the product continues to malfunction or no longer operates, remove the batteries from the toy and replace them with fresh batteries. Requires 2 "AAA" (LR03) batteries. For longer life use only alkaline batteries.

Required tool: Phillips screwdriver (not included)
