TIP:

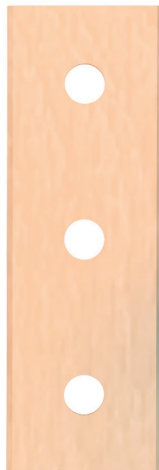

Markings are permanent on story panels.

3

- Only fabric parts are washable. To remove markings, wash fabric parts within 48 hours of coloring.
- Markings may be removed by rinsing with water. If markings remain, place fabric parts in a pillow case and machine wash in cold water with a mild detergent on the gentle cycle. Do not use bleach. Do not tumble dry unless all markings are removed because tumble drying can cause markings to set. Tumble dry on low heat.
- Use only the markers included with this set.
- To prevent markers from drying out, be sure to replace the caps after each use.
- Since the markers may stain other fabrics and surfaces, we recommend placing newspaper or other protective covering over the play area before coloring. Avoid contact with carpet, clothing, walls and furniture.
- If you do notice staining on other surfaces, try using an alcohol-based hand sanitizer to remove. We recommend that an adult apply a small amount of hand sanitizer to a paper towel, tissue or cotton swab and then wipe the stain. Be sure to test the use of hand sanitizer in an inconspicuous area first.
- To remove markings from skin, use soap and water.

INCLUDES

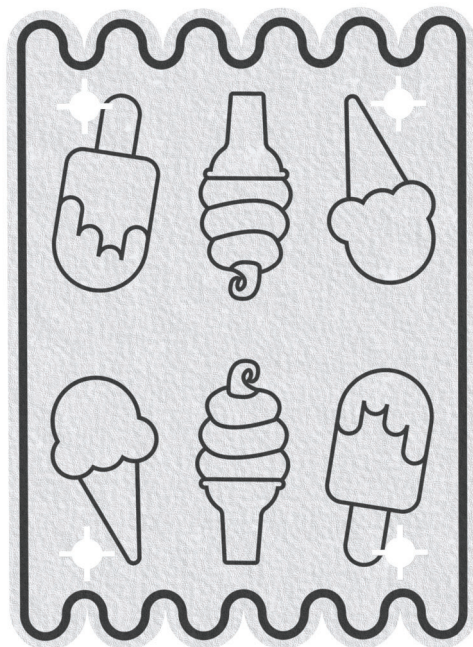

x3

x2

TIP: Sort the parts before building.

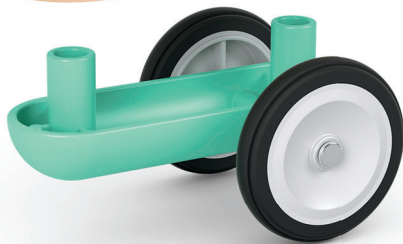

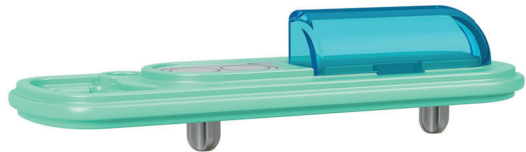

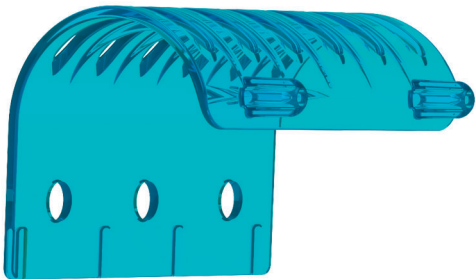

Plastic and wood parts are surface washable only with a damp cloth. While the story panels are intended to be colored, markings are not removable.

WARNING:

CHOKING HAZARD – Small parts.
Not for children under 3 years.

TIP: It's easier to build on hard surfaces.

x2

INCLUDES 4 MARKERS

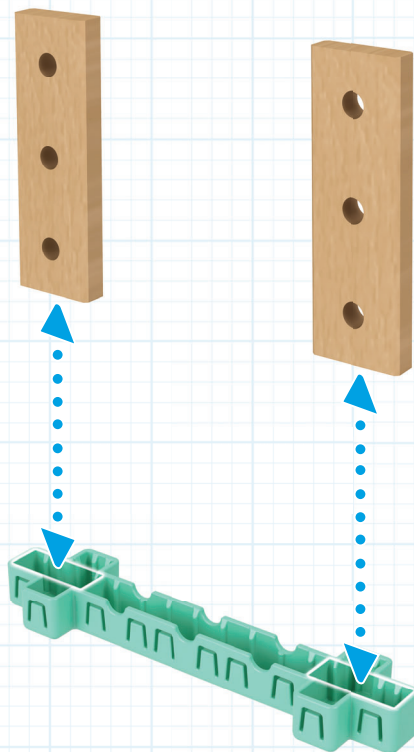

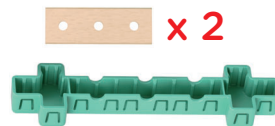

Store Front

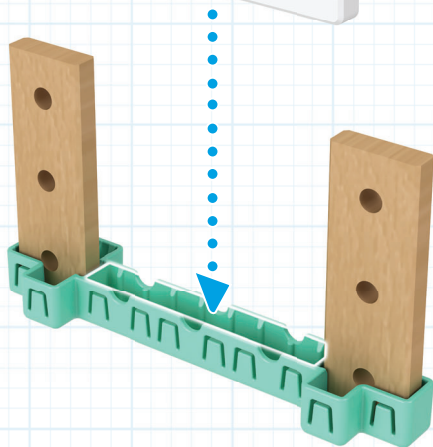

! TIP: When you see two sided arrows $\longleftrightarrow$, you can assemble the parts from the top or the bottom!
