

PLEASE DON'T FEED THE PANDAS™

Game

WARNING:
CHOKING HAZARD – Toy contains
small balls. Not for children under 3 years.

OBJECT

The Pandas are **hungry**, but they need to work for their “bamboo” balls! Pandas and Trainers team up to perform tricks and earn points. The first team to get 5 points wins!

TRAINER

Performs the stunt and throws the ball!

PANDA

Wears the mask to catch the ball!

Get up, move around and catch that ball!!

SET UP

Form two teams and hand one panda mask to each team. Have each team pick their first Trainer and Panda.

Shuffle the deck of trick cards. The team with a player who has seen a panda most recently goes first.

NOTE: players must take turns being the Trainer and Panda. They cannot be the same role two rounds in a row.

LET'S PLAY

The Trainer draws a trick card, which shows the challenge to be performed and the amount of tries the team gets to perform the trick. The Trainer should grab a number of balls equal to the number of tries on the trick card. If the Trainer and Panda can complete the trick before they are out of tries, they score a point and keep the card!

TRICK

ATTEMPTS

TRICK CARDS

BALL TOSS

The Trainer tosses the ball and the Panda must catch the ball in mid-air, without it bouncing.

BOUNCE SHOT

The ball must bounce once before being caught by the Panda.

BLIND SHOT

The Trainer keeps their eyes closed while throwing the ball. The Panda must catch the ball without letting it bounce.

SPIN SHOT

The Trainer spins once and immediately tosses the ball. The Panda must catch the ball without letting it bounce.

OVER THE SHOULDER

The trainer faces away from the Panda and tosses the ball over their shoulder. The Panda must catch the ball without letting it bounce.

TRICK THROWDOWN

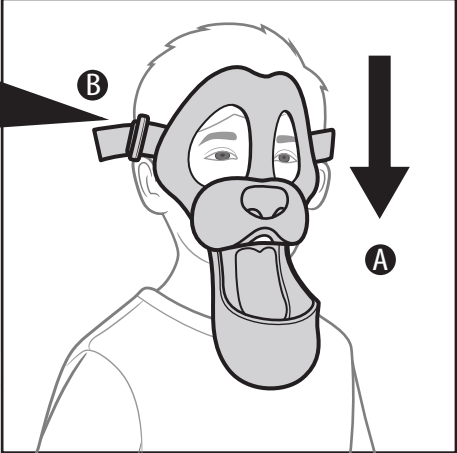

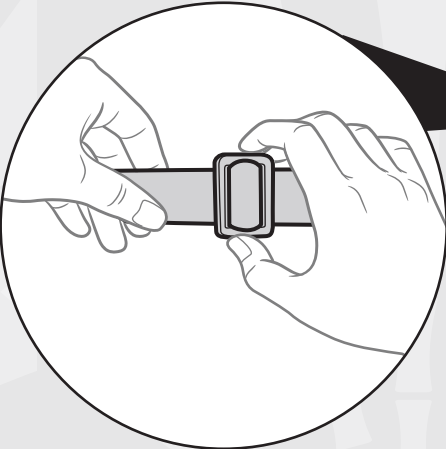

When a Trick Throwdown card is drawn, both teams play at the same time. Give each team three balls. After a 3-2-1 countdown, the first team to perform the BALL TOSS trick successfully wins the point!

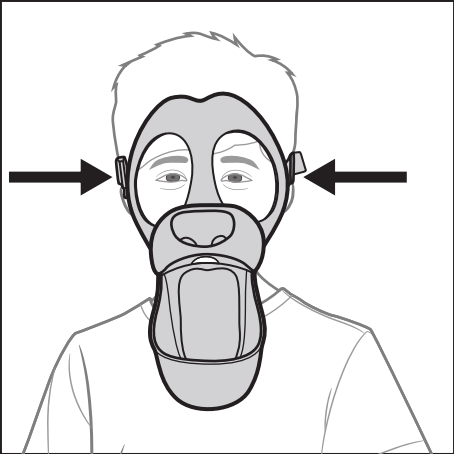

WINNING

The first team to score 5 points wins!
