

fisher-price®

Keep this instruction sheet for future reference, as it contains important information.

Requires three AA batteries (included). Batteries included are for demonstration purposes only.

Required tool for battery replacement: Phillips screwdriver (not included). Only adults should replace batteries.

To clean, wipe this toy with a damp cloth. Do not immerse.

HGM29

Batteries & Power-Volume

For longer life, use **alkaline** batteries.

- Loosen the screw in the battery compartment door and remove the door. Remove the exhausted batteries and properly dispose.
- Insert three, new AA (LR6) **alkaline** batteries.
- Replace the battery compartment door and tighten the screw.
- Slide the power-volume switch to: ON with low volume (speaker icon), ON with high volume (speaker icon with larger cone) or OFF (circle with line).
- If this toy begins to operate erratically, you may need to reset the electronics. Slide the power-volume switch off and back on.
- When sounds or lights become faint or stop, time for an adult to change the batteries.

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable.
- Insert batteries as indicated inside the battery compartment (+ and -).
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Protect the environment by not disposing of this product or any batteries with household waste. This symbol indicates that this product shall not be treated as household waste. Check your local authority for recycling advice and facilities.

Store the Handle for Sit & Play

Switch Up the Learning

Slide the mode switch to:

- 1 Explore** - Press the keys for phrases and songs that introduce baby to shapes, colors, numbers and the alphabet!
- 2 Encourage** - Learning fun with bilingual numbers, colors, and phrases.
- 3 Pretend** - Baby can compose their own tunes with real xylophone sounds.

FCC STATEMENT (UNITED STATES ONLY)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
