

fisher-price®

Keep these instructions for future reference, as they contain important information.

Requires three AA batteries (included). Batteries included are for demonstration purposes only.

Only adults should replace batteries.

Tool required for battery replacement: Phillips screwdriver (not included).

To clean, wipe all parts of this toy with a damp cloth. Do not immerse.

For longer life, use **alkaline** batteries.

HND53

Where great minds think like kids™

Since 1961, early childhood development experts at the Fisher-Price™ Play Lab have watched and learned from real-life fun experts (aka kids) to help us design toys that help babies learn and grow in the most natural way. From engaging activities to get them sitting up and crawling, to supportive pals that help with first steps and introduce first words, Fisher-Price® infant toys help make reaching those important milestones (and everything in between) so much fun.

Replace Batteries

Loosen the screw in the battery compartment door with a Phillips screwdriver and remove the door.

Remove the exhausted batteries and properly dispose.

Insert three, new AA (LR6) **alkaline** batteries.

Replace the battery compartment door and tighten the screw.

Do not over-tighten.

When sounds or lights from this toy become faint or stop, it's time for an adult to change the batteries.

If this toy begins to operate erratically, you may need to reset the electronics. Slide the power-volume switch off and back on.

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable.
- Insert batteries as indicated inside the battery compartment (+ and -).
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Protect the environment by not disposing of this product or any batteries with household waste.

This symbol indicates that this product shall not be treated as household waste. Check your local authority for recycling advice and facilities.

Let's Kick It!

Remove the strap from the tab on top for tummy time fun! Secure the strap again when finished.

Slide the power-volume switch to ON with low volume ◀), ON with high volume ◀)) or OFF ○.

- 2 **Discover** - Press to hear fun phrases and music about colors and shapes!
- 3 **Pretend** - Press for counting and songs!
-  **Piano Play** - Press to hear real piano notes.

FCC STATEMENT (UNITED STATES ONLY)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAN ICES-3 (B)/NMB-3 (B)

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes : (1) il ne doit pas produire de brouillage et (2) il doit pouvoir tolérer tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre son fonctionnement.
