UNO junior

Introduce your kids to UNO® in a way that challenges them to learn and grow as they play. Each new level features learning benefits that expand along with their knowledge of the classic game you love!

UNO® JUNIOR IN A NUTSHELL

Get rid of all your cards by matching a card in your hand to the top card on the discard pile. You can match by **color**, **number** and, especially handy for younger players, **character!** Chase matches Chase and Skye matches Skye.

As the levels increase in difficulty, cards are added that skip players, reverse the direction of play or even make somebody draw extra cards!

HOW TO PLAY

After shuffling the deck, **deal five cards** to each player.

PARENT TIP

Have beginners lay their cards face-up so you can help them!

Make a **Draw Pile** and a **Discard Pile** with the remaining cards.

the draw pile goes **face down!**

Draw Pile

Discard Pile

while the discard pile goes **face up!**

On your turn, match:

If you can't make a match, draw **ONE** card from the Draw Pile (if it matches the discard pile, play it!).

When you are down to your last card, yell **"UNO!"** If you don't and someone catches you, you have to draw **TWO** extra cards!

Keep going until someone is out of cards. They win!
