How to play

- 1 Stop the engine on the elevator and detach the cargo car. Press the red button to release the elevator and it will quickly drop down! Manually push the elevator the rest of the way down until it meets the lower track. Then push the engine off of the elevator and onto the lower track.

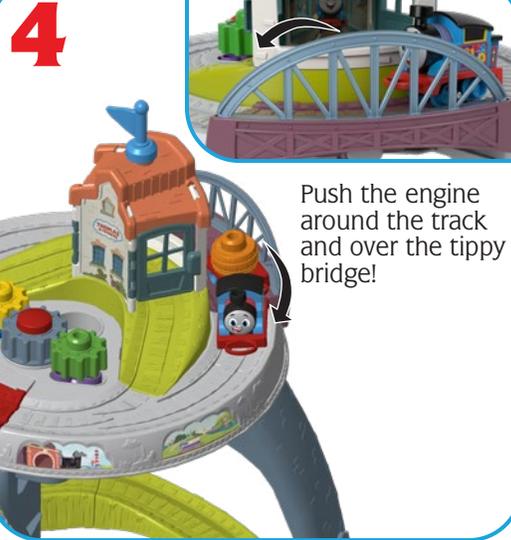

How to play

3 Lift the elevator until it snaps into place on the upper track.

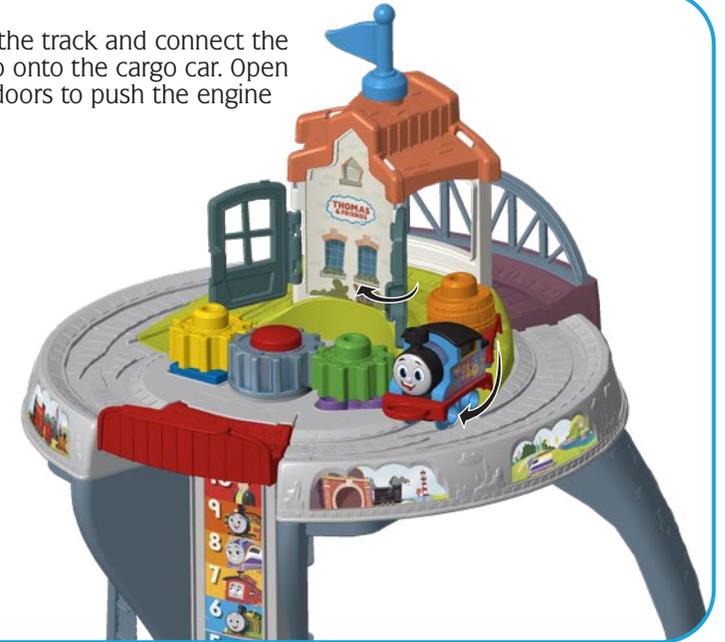

10

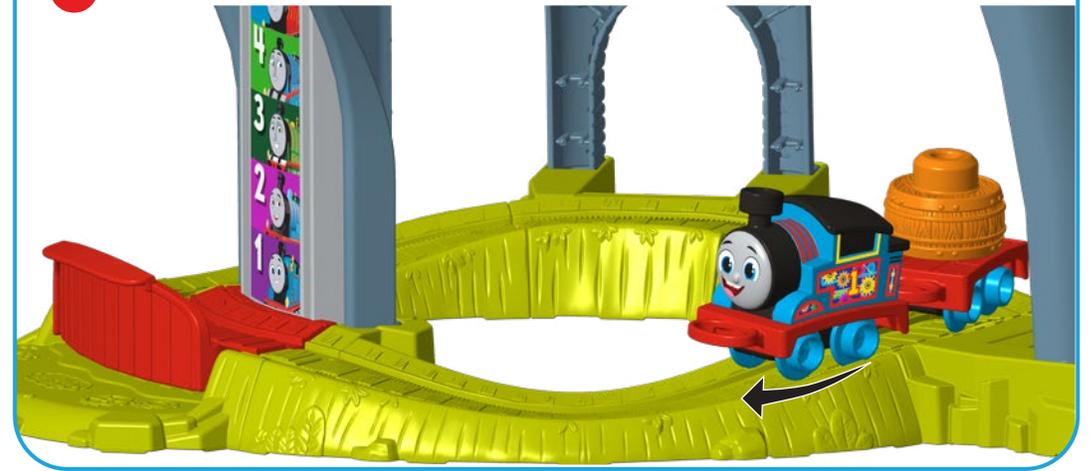

How to play

5 Place the engine on the track and connect the cargo car. Load cargo onto the cargo car. Open the Tidmouth Shed doors to push the engine through!

6 Use the elevator to bring the cargo car down to the lower track. Connect the cargo car to the engine and push it along to continue the journey.
