#### 1. *Imagination Animals*

Show me how you
Dance like an Elephant,
Stomp and swing that trunk!
Bounce around like a Kangaroo,
and Wiggle your tail like a Skunk!
Can you
Gallop like a Pony?
or Swim like a hungry Shark?
Run as fast as you can like a Cheetah,
Flap your wings like a Bat in the dark!
Imagination lets us turn,
into anything we want to be;
So just think about these animals,
and become them when we sing!
Now let's
Dance like an Elephant,
Stomp and swing that trunk!
Bounce around like a Kangaroo,
and Wiggle your tail like a Skunk!
Can you
Gallop like a Pony?
or Swim like a hungry Shark?
Run as fast as you can like a Cheetah,
Flap your wings like a Bat in the dark!
Imagination lets us turn,
into anything we want to be;
So just think about these animals,
and become them when we sing!

## 2. *Shine!*

Shine bright when the skies are gray
Shine bright no matter what they say
Shine bright and dance the day away
Cuz even on your worst day,
Dancing's gonna make it good
Take my hand [take my hand]
And spin around
Just lift your feet
Off of the ground
And don't give up [don't give up]
And as you go
You'll see you're stronger
Than you know
Shine bright when the skies are gray
Shine bright no matter what they say
Shine bright and dance the day away
Cuz even on your worst day, dancing makes it good
Shine bright when the skies are gray
Shine bright no matter what they say
Shine bright and dance the day away
Cuz even on your worst day, dancing's gonna make it good

### 1. Nursery Rhyme Rap

Hey! Hey!
It's time for a nursery rhyme, woo!
Mary had a little lamb
Her fleece was white as snow
It followed her to school one day
And put on quite a show
It made the children laugh and play
Teacher did not know what to say
Every where she went that day
The lamb was sure to go
Heh - Yeah Mary's teacher?
She was not impressed
The teacher said to Mary
"Yo Mary... please take that lamb to recess"
Say Rhyme Time... Rhyme Time
Say Snow, Show.. Snow, Show
Play, Say, Day...Play, Say, Day..
And that's how the rhyming goes
Here's another one
Jack and Jill were thirsty
So they ran up on a hill
Jack fell down and broke his crown
And they both took a spill
Little Red Riding Hood
Went to Grandma's in the woods
But she found a wolf instead
That wolf was up to no good
Say Rhyme Time... Rhyme Time
Hill, spill.... Hill, spill
Hood, good.. hood, good
And that's how the rhyming goes

## 2. R-H-Y-M-E

R-H-Y-M-E spells rhyme,
Let's play the Rhyme Time game, COME ON!
When two words sound the same at the end
that means, THEY RHYYYYME!
Listen with your ears and show me if you hear
two words, THAT RHYYYYME!
When you hear a rhyming pair
get those hands up IN THE AIR!
but if those words DON'T rhyme
hands on your knees it's FREEZE Time
Ready steady here we go!
Cat, Hat!
Hands up! That rhymes!
Dog, Frog!
Hands up! That rhymes!
Blue, Shoe !
Hands up! That rhymes!
Yellow, Banana!
Hands on your knees everybody's gotta freeze!
Let's Go!
Banana, Bandana!
Hands up! That rhymes!
Fingers. Toes!
Hands on your knees everybody's gotta freeze!
Let's Go!
Toes, Nose!
Hands up! That rhymes!
Sweaty spaghetti!
Hands up! That rhymes!
Fuzzy, Bear!
Hands on your knees everybody's gotta freeze!
Let's Go!
Bear... Where?!?!?!?!?
Hands up! That rhymes!
R-H-Y-M-E
Rhyme, Time!
R-H-Y-M-E
We're done! You won!

### 3. *Get Up and Groove*

Dance party...here we go!
It's time to move to the beat from your head down to your feet
Let it go, let it flow, dance it out, jump and shout
Woah oh, woah oh, here we go!
It's time to move to the beat from your head down to your feet
Let it go, let it flow, dance it out, jump and shout

Jump forward, clap one two one two
Now back it up, whoo hoo whoo hoo!
Now kick it, kick it, kick it, kick it
Stick with it, with it, with it, with it
Get your hands up in the air like you got no cares
Shake until you drop, party don't stop

### 1. *Skipping Cowboy*

I skip to the count, and I count with a skip,
I'm a skip countin' cowboy about to let it rip!
Since the One, Two, Threes are easy for you,
we'll skip every other number as we count by Two-!
Now-count: Two, Four, Six and Eight,
we skip to Ten - hey, we're doin' great-!
but we'd better saddle up - it's almost time to race!
Let's count by Five so we can pick up the pace!
Count Five, Ten, Fifteen, Twenty,
Twenty Five, Thirty - whoah, that's plenty!
But c'mon partner, let's see if we can,
count a hundred skip countin', countin' Ten by Ten,
Count Ten, Twenty, Thirty... Forty and Fifty!
Halfway there, y'got it - stick with me!
Sixty, Seventy, Eighty, Ninety, and One Hundred-!
We did it! .. Yahoooooo!
Ten, Twenty, Thirty... Forty and Fifty!
Halfway there, y'got it - stick with me!
Sixty, Seventy, Eighty, Ninety, and One Hundred-!

### 2. *Veggie Math*

Let's help the veggies grow...
We're ready to go! Plant 'em row by row...
They call us the smartest farm around
(Ta) because we add them all up when they go in the ground!
[Yeah!!]
One row of Carrots, plus Two rows of Peas;
That's Three rows of Healthy Vegetables - Oh Yes Please!
Let's plant Two more rows, of Yummy Celery!
Two plus Three is Five Rows of Veggieeeeees!
Let's plant Five more, but we'll add them differently:
We'll make Five with Four plus One, like we did with Two plus Three,
Adding Four rows of Lettuce, and One row of Broccoli!

We put Five more rows in the ground!
[It sure adds up!]
Math is all arooooounnnnd!

**2. Five Little Speckled Frogs**

Five green and speckled frogs,
Sitting on a speckled log,
Eating the most delicious bugs...
One jumped into the pool,
Where it was nice and cool,
Now there are just Four speckled frogs...
Four green and speckled frogs,
Sitting on a speckled log,
Eating the most delicious bugs...
One jumped into the pool,
Where it was nice and cool,
Now there are just Three speckled frogs...

Eating the most delicious bugs...

Sitting on a speckled log,
Eating the most delicious bugs - Yum, Yum!

Now there's only One speckled frog...

Where it was nice and cool,
Now there are no more speckled frogs - Hey! Hey!

### 3. *Down By The Bay*

Down by the bay,
where the watermelons grow,
back to my home
I dare not go!
For if I do
my mother will say...
Have you ever seen a bear in red underwear?
Down by the bay...
Down by the bay,
where the watermelons grow,
back to my home
I dare not go!
For if I do
my mother will say...
Have you ever seen a mouse painting a house?
Down by the bay...
Down by the bay,
where the watermelons grow,
back to my home
I dare not go!
For if I do
my mother will say...
Have you ever seen a lizard dressed as a wizard?
Down by the bay...
Down by the bay...

### 1. Daytime Meditation

Hi there friend, let's take some time... to calm our bodies and our minds.
Breathe in deep, in through your nose... then breathe out, as slow as a turtle goes.
Reach your arms way up high... high as a butterfly in the sky.
Hold out your hands, make them open and close... Wiggle your fingers... and wiggle your toes!
Sway like a palm tree in the breeze... Hug yourself, with a big squeeze!
Now let's breathe and close our eyes... Let's breathe out all the big feelings inside.
Breathe in... [breath in]... Breathe out...[breath out]
One more big breath in, my friend...[breath in] then let it out...[breath out]
And that's the end. Great job!

### 2. I Am....

I am me. I am me!
and that's who I am meant to be!
Nobody can be me, but me...
Nobody can be me, but me...
From my head down to my toes,
To my heart and mind, I know,
I am who I am meant to be
I am me.

### 3. Great Great Day

Today is gonna be a great great day,
I'm gonna make it that way! HEY!
Today is gonna be a great great day,
I'm gonna make it that way!
Today I'm gonna be kind!
Today I'm gonna be thoughtful...
Today I might, make mistakes,
But I'll learn from them and say....
Today is gonna be a great great day,
I'm gonna make it that way! HEY!
Today is gonna be a great great day,
I'm gonna make it that way!
Today I'm gonna be strong!
Today I'm gonna be thoughtful...
Today might get, a little tough,
But I'm loved and I will say...
Today is gonna be a great great day,
I'm gonna make it that way! HEY!
Today is gonna be a great great day,
I'm gonna make it that way!
