Get Ready to Rumble!

Each time a ball hits a garage door, the door opens slightly. Fill up the 3 garage bays with balls and have a Multi-Ball Blowout!

If your gas light is flashing, hit the ball to the gas pump or you will lose control of flippers!

Hit the ball into the gas pump 3 times and get a free ball!

The Ball Speed increases after 10,000 Points!

Circle the garage 6 times and a Free Ball will be released!

Clear out all targets in the center and a Free Ball will be released for multi-ball play!

In Game 2, the Floating Paddle in the center of the screen can be moved right or left by clicking the right or left flipper.

Bonus Balls are awarded at 10,000, 100,000, and 500,000 points. Bonus Balls appear in the area next to the plunger.

You can take a breather at any time by pressing Start•On•Pause

TO PLAY A GAME:

- 1** Press the Start button to wake the game. The game is now in display mode.
- 2** Use the left flipper to select Game 1 or the right flipper to select Game 2.
- 3** Press Start again to get the game out of display mode and set up a new game.
- 4** Hold down Start to pull back the plunger and let go to fire the ball out!

BATTERY INSTALLATION

This computerized unit is powered by two (2) AA (LR06) batteries. For extra long battery life, use alkaline batteries. DO NOT USE A RECHARGEABLE BATTERIES. DO NOT MIX OLD AND NEW BATTERIES. DO NOT MIX ALKALINE, STANDARD (CARBON-ZINC), OR RECHARGEABLE (NICKEL CADMIUM) BATTERIES.

1. Remove battery compartment door by bending the tab and pulling outward.
2. Insert two fresh alkaline batteries with the negative (-) ends against the springs.
3. Replace the battery compartment cover.

MAINTENANCE

- Handle the game carefully.
- Store the game away from dusty or dirty areas.
- Keep the game away from moisture or temperature extremes.
- Do not disassemble the game. If a problem occurs, press the RESET button to refresh the computer's memory.
