Before First-Time Use

IMPORTANT! Before first-time use, completely darken the drawing screen with the magnetic pencil. Slide the eraser lever slowly from side to side to clear the drawing screen. Repeat this procedure several times to enable the drawing screen to create the clearest, darkest images.

Battery Replacement

For best performance, we recommend replacing the batteries that came with this toy with three, new "AA" (LR6) alkaline batteries.

- Locate the battery compartment on the back of the toy.
- Loosen the screw in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door. Throw the exhausted batteries away.
- Insert three "AA" (LR6) **alkaline** batteries, as indicated inside the battery compartment.

Hint: We recommend using **alkaline** batteries for longer battery life.

- Replace the battery compartment door and tighten the screw with a Phillips screwdriver. Do not over-tighten.
- When sounds or lights from this toy become faint or stop, it's time for an adult to change the batteries!
- Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities.

Battery Safety Information

Shown Actual Size

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

All Finished

- When your child is finished playing with this toy, slide the power/volume switch off **O**.

- Store the cards in the slot in the side of the bus.

- Fit the pencil into the hole in the side of the bus.

Important!

IMPORTANT! To avoid damage to the drawing screen:

- Use only the magnetic pencil included.
- Do not use regular pencils, pens, crayons, or markers.
- Keep this toy away from extreme heat sources such as ovens, heaters, radiators and hot vehicles.

- Do not apply heavy pressure or force to the drawing screen. Heavy pressure is not necessary and could damage the drawing screen. A light touch makes a dark line.

- Use only the special, magnetic pencil included. Do not use any other object on the drawing screen.

Care

- Wipe this toy with a clean cloth dampened with a mild soap and water solution. Do not immerse this product.
- Keep water, sand and dirt off this product.
- This toy has no consumer serviceable parts. Please do not take this toy apart.

FCC Statement

United States Only

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Note: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.
