GERRY CODY / DWAYNE VANCE

The Camaro® holds a special significance for Hot Wheels, as it was featured among the original 16 castings during their launch year in 1968. Featuring cut-out body panels, exposed turbochargers, and vertical stabilizers protruding from the trunk area, the design unequivocally exudes the Hot Wheels spirit.

La Camaro® revêt une importance particulière pour Hot Wheels, car elle faisait partie des 16 modèles en métal moulé proposés par la marque lors de son lancement en 1968. Avec ses panneaux de carrosserie découpés, ses turbocompresseurs apparents et ses stabilisateurs verticaux dépassant du coffre, ce modèle réduit incarne à la perfection l'esprit Hot Wheels.

El Camaro® tiene un significado especial para Hot Wheels, ya que fue uno de los 16 modelos originales del año de su lanzamiento en 1968. Con paneles de carrocería recortados, turbocompresores expuestos y estabilizadores verticales que sobresalen de la zona del maletero, el diseño destila inequívocamente el espíritu de Hot Wheels.

Der Camaro® hat für Hot Wheels eine besondere Bedeutung, weil er zu den 16 Originalmodellen gehörte, die im Gründungsjahr 1968 als Die-Cast-Autos herauskamen. Das Design mit Aussparungen in der Karosserie, freiliegenden Turboladern und senkrechten Stabilisatoren am Heck verkörpert eindeutig den Rennegeist von Hot Wheels.
