Minimum System Requirements

Operating System - Microsoft Windows (Vista, XP, 2000)

Install

You will need administrative privileges to install this software. If you have setup multiple log-ons on your computer, be sure the logon selected has administrative privileges.

If installation of the software does not begin automatically, double click the "My Computer" icon on your desktop. Then double click the CD ROM icon labeled "DACs." Next, click "Setup.exe" and follow the on-screen installation instructions.

Uninstalling the Software

Please follow these instructions to uninstall this software.

Click:

- "Start" menu on your computer taskbar,
- "Programs",
- "Fisher-Price",
- "Digital Arts and Crafts Studio",
- "Uninstall Digital Arts and Crafts Studio".

Technical Assistance

Troubleshooting Guide

Problem	Solution
Cannot install software	You must have administrative privileges to install the software.
	Software did not begin automatically installing. Double click the "My Computer" icon on your desktop. Then double click the CD ROM icon labeled "DACS". Next, click "Setup.exe" and follow the on-screen installation instructions.
Program does not run	You need to a software update! For a FREE software update, register your product at
Program freezes (Stylus does not work or you see a big red X on your computer screen)	Hold down the Control, Shift and Delete buttons on your computer keyboard at the same time. Select the task manager and end the program.
When drawing a straight line with the stylus it appears jagged on screen.	Please seek technical assistance by visiting www.service.fisher-price.com and enter L1152 in the guided search box.
