

Quick Start Guide

- 1 Connect Star Station® to TV (or VCR) per instructions.
- 2 Insert ROM cartridge into Star Station®.
- 3 Turn **music power/volume dial on Star Station®** to lowest setting. Power light turns on.
- 4 Turn TV (or VCR) on.
- 5 Set TV (or VCR) mode selector to INPUT or VIDEO IN to find picture on TV screen.
- 6 Slide **voice power/volume switch on microphone** to high volume. Power light turns on.
- 7 Start singing and **adjust voice volume on TV**.
- 8 Press play/pause button on Star Station® to start music. You will adjust volume in the next step.
- 9 Turn **music volume dial on Star Station®** to comfortable listening level.
- 10 You have balanced voice and music. Now, use the TV to adjust **overall volume (voice and music together)** if needed.
