Assembly

Play Time!

Water toys sometimes get messy. Protect play surfaces before use. Do not use on surfaces that can be damaged by water. Drain, rinse, clean, and dry all items thoroughly before storing.

Color change by applying warm or cold water.

To color change: Dip applicator in warm water (30°C/ 86F) and apply to baby to make boo-boos disappear. Cup not included. DO NOT use water that is too hot (above 43°C/ 110°F) to avoid burns. When boo-boos reappear, repeat application of warm water. **Color** change will last longer if you do not expose this toy to intense heat or direct sunlight for prolonged periods of time.

Dolls cannot stand alone.
