

# 4 Let's play!

... AND for you, too!

**1.** Use these play nails for you.

**2.** Attach adhesive stickers to play fingernails as before, and apply to your fingernails. Attach decorative stickers to the play fingernails! Doll's ring, necklace and bracelet fit you too!

## HINTS:

- To maintain hygienic conditions, press-on fingernails should not be worn for more than 12 hours at a time, and nails should be kept dry during wear.
- Always remove any remaining adhesive after use. Allow 12 hours of non-use between applications of new fingernail adhesive. Use mild soap and water to remove adhesive from skin and nails when done playing.
- Do not use nail polish. Do not use "real" adult nail polish remover with fashion nails because it could melt or destroy the plastic fingernails.
- Protect play surfaces. This product may stain or stick to some surfaces. Precaution should be taken to keep away from carpets, fabrics and varnished/unvarnished surfaces.
