N1929/N1930-XXXX

Keep these instructions for future reference: they contain important information. **IMPORTANT:** Please read all "Consumer Information" before operating your vehicle.

CAUTION: Surfaces may become hot and cause burns if electronics get wet. Do not operate vehicle through water or snow.

I. CONTENTS/FEATURES

- Vehicle
- Transmitter

Vehicle

- 1 ON/OFF switch
- 2 Battery door
- 3 Battery door latch

Transmitter

- 1 Antenna
- 2 Battery door
- 3 Driving controls

II. BATTERY INSTALLATION

Requires 6 AA alkaline batteries for the vehicle and 2 AA alkaline batteries for the transmitter. Batteries not included.

Vehicle

1. Remove the battery door.
2. Install 6 AA batteries (not included), with polarity (+/-) as shown inside the battery compartment.
3. Replace the battery door.

Transmitter

1. Open the battery door as shown.
2. Install 2 AA alkaline batteries with polarity (+/-) as shown inside the battery compartment.
3. Close the battery door.

Your transmitter is equipped with a special automatic ON battery-saving feature. Just turn your vehicle ON. Then push either transmitter control to run and control your vehicle.

III. VEHICLE OPERATION

IV. PLAY I

V.PLAY II

VI. QUICK TIPS

1. When your vehicle starts to lose power, it may lose functions or performance. It's time for fresh batteries (or a recharge). Your vehicle's running time may change depending on your driving style.
2. Radio interference can effect your vehicle's performance. Interference can be caused by other R/C vehicles running on the same frequency, electrical wires, large buildings or CB radios. Try to stay away from these!
3. Point your transmitter antenna up - not down toward your vehicle. If your vehicle gets too far away, it won't work properly. If your transmitter has an antenna carry-loop feature, make sure the antenna is removed from the holder and straightened before operating.
4. Don't drive your vehicle in sand or through water or snow.
5. Don't store your vehicle near heat or in direct sunlight. Always turn switches OFF and remove all batteries for storage.

VII. BATTERY SAFETY INFORMATION

In exceptional circumstances batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the product before being charged (if designed to be removable).
- Rechargeable batteries are only to be charged under adult supervision (if designed to be removable).
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Do not mix old and new batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- The supply terminals are not to be short-circuited.
- Dispose of battery(ies) safely.
- Do not dispose of this product in a fire. The batteries inside may explode or leak.

Battery Performance Note:

For best performance use regular or high-performance alkaline batteries (where disposable batteries are called for). If your vehicle is supplied with standard (carbon-zinc) batteries for initial use and/or demonstration purposes, we recommend replacing them with alkaline batteries when necessary. Battery life may vary depending on battery brand.

THIS PRODUCT USES A NICKEL-CADMIUM RECHARGEABLE BATTERY PACK. BATTERY MUST BE RECYCLED OR DISPOSED OF PROPERLY. FOR FURTHER INFORMATION REGARDING BATTERIES OR THEIR DISPOSAL PLEASE CONTACT THE APPROPRIATE LOCAL OFFICE.

Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities.

Hereby, Mattel declares that this toy is in compliance with the essential requirements and other relevant provisions of Directives 99/5/EC, 2004/108/EC, 88/378/EEC. Suitable for use in all EU member states.

CONSUMER INFORMATION

90 DAY LIMITED WARRANTY

This product is thoroughly tested and inspected before shipment and is guaranteed to be free from factory defects in material and workmanship for a period of 90 days from the date of purchase. Mattel will repair or replace any defective part or unit free of charge during this period. This warranty is valid provided the product has been operated in accordance with the instructions and proof of purchase is furnished. This warranty does not apply to worn or defective batteries, or to items which have been damaged or abused by the consumer. This warranty gives you specific legal rights and is in addition to and does not diminish your statutory or other legal rights. **IMPORTANT:** Please return your product in its original package and keep a record of what you return.

For product sold in USA

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.
