

Media Manager CD-ROM

PC Users

Install iXL™ Computer Software to customize your iXL™ Handheld Device, load your own photos and music, create a music play list and manage content from additional iXL™ software titles (sold separately).

- Before installing this software, make sure the **logon** used on your computer has **administrator privileges**. Insert the enclosed CD into the CD-ROM or DVD drive of your computer. The software installer launches automatically.
- Follow the on-screen instructions to complete installation. You will need to install all components to use this software.

Note: Fisher-Price® periodically makes updates and improvements to its computer software. When installing iXL computer software, make sure your **computer is connected** to the **Internet** and you click **Yes**, if prompted, to download and install software updates.

If you do not have an Internet connection or your Internet connection is slow, simply contact Fisher-Price® Consumer Relations at **1-888-892-6123** for a free iXL computer software CD-ROM.

Media Manager CD-ROM Mac Users

Install iXL™ Computer Software to customize your iXL™ Handheld Device, load your own photos and music, create a music play list and manage content from additional iXL™ software titles (sold separately).

- A Macintosh compatible version of the iXL computer software is available for download from the Fisher-Price® Consumer Relations website. Make sure you're connected to the Internet and go to <http://www.fisher-price.com/ixl/software/macintosh>. Enter iXL in the Guided Search field.
- Click the link and follow the on-screen instructions to complete installation. You will need to install all components to use this software.

***Hint:** Before installing this software, make sure the **logon** used on your computer has **administrator privileges**.*

If you do not have an Internet connection or your Internet connection is slow, simply contact Fisher-Price Consumer Relations at **1-888-892-6123** for a free iXL computer software CD-ROM.
