Toy Washing Instructions

- For best results, wash this toy within 48 hours after doodling.
- Place the toy in a pillow case. Machine wash in cold water on the gentle cycle. Do not use bleach.
- Do not tumble dry unless all marker stains are removed from the toy. Tumble drying can cause stains to set. Tumble dry on low heat.

Consumer Information

- Only use the washable markers that came with this toy.
- Replace the cap on the marker after each use.
- Markers may stain other fabrics and surfaces. Avoid contact with carpet, clothing, walls and furniture.
- Some markings on other surfaces may be removed on surfaces using an alcohol-based hand sanitizer. We recommend that an adult apply a small amount of hand sanitizer to a paper towel, tissue or cotton swab and then wipe the stain. Be sure to test the use of hand sanitizer in an inconspicuous area first.
- To remove markings from skin, use soap and water.
