## Game Pack

### GAME RULES FOR FULL EDITION PLAY

For instructions on playing with any full edition of *Scene It?*, watch the on-screen demonstration by choosing **How To Play** from the *Scene It?* DVD Main Menu.

**Note:** Category names and symbols on the Game Pack may vary from a full edition of *Scene It?*, so just match the category colors for full-edition play.

### GAME PACK PLAY WITHOUT FLEXTIME® GAME BOARD

*Scene It?* Disney Game Pack can be played without the Flextime Game Board using everything included in your Game Pack. You'll need two or more players or teams, so divide up, grab your popcorn and enjoy the magic!

### OBJECT

Be the first to collect 10 Trivia Cards.

### CONTENTS

1 Game DVD  
1 Eight-Sided Category Die  
4 Category Reference Cards  
96 Trivia Cards  
Requires a TV, DVD player and remote control.

### SET UP

- 1) Insert the *Scene It? Disney* Game Pack DVD into your DVD player. The DVD will show a quick intro and then display the **Main Menu**.
- 2) Select one person, referred to as the **DVD Master**, to operate the remote control.

Use the **ARROWS** on your remote to navigate between *Scene It? Disney* Game Pack menu items.

- 3) Select **Timer Settings** from the

Main Menu. You can use the on-screen Timer when answering Trivia Card questions. The Timer is pre-set at 30 seconds, but may be set at 10 or 20 seconds to make the game more challenging. Select the time limit you want; this will remain the default unless you choose to reset the Timer during the game by accessing the Main Menu once again.

**Technical Tip:** Your DVD is automatically set up to deliver questions at random. However, *because it is random, you may eventually get repeats. Choose **Pre-set Gameplay** on the Main Menu then select one of the pre-programmed sequences to guarantee no repeats will occur.*

**Note:** Some DVD players do not support the random shuffle feature provided by Optreve® technology (a window will appear to warn you of this). In that situation, you should also choose **Pre-set Gameplay**.

- 4) Choose **Play the Game** from the Main Menu and the **Game Menu** will appear.

### PLAY THE GAME

- 1) The youngest player goes first. Play moves clockwise.
- 2) Each turn, a player rolls the die then attempts to successfully complete whichever challenge was rolled. Reference Cards are provided for each player to allow easy recognition of the *Scene It? Disney* Game Pack challenges. Challenge rules are listed below.
- 3) If you win the challenge, collect one Trivia Card, roll the die again and take another turn!

**Note:** Trivia Cards are used for scoring; you collect one for winning either the DVD My Play, All Play or Trivia Card challenge.

### DVD CHALLENGES My Play Challenges

The **DVD Master** selects **My Play** from the DVD Game Menu, and a My Play challenge will follow. ONLY THE ROLLING PLAYER/TEAM MAY ATTEMPT TO ANSWER THE ON-SCREEN CHALLENGE. If the roller answers correctly, they collect a card from the deck and roll the die again. If they answer incorrectly, the turn ends and play proceeds clockwise to the next player in sequence.

### All Play Challenge

The **DVD Master** selects **All Play** from the DVD Game Menu. ALL PLAYERS SHOULD WATCH THE CHALLENGE THAT FOLLOWS and attempt to be the first to clearly shout out the correct answer.

If the rolling player is first to answer correctly, they collect a card from the deck then roll the die and take another turn.

If a player other than the roller answers correctly, they collect one Trivia Card from the deck. Play then proceeds clockwise from the roller to the next player in sequence.

**Note:** Players are never skipped as the result of an All Play challenge – play always proceeds sequentially around the table, even when someone out of sequence correctly answers the question.

If two players simultaneously answer correctly, select **Tie Breakers®** from the Game Menu.

If **no one** answers correctly, play proceeds to the next player.

### TRIVIA CARD CHALLENGES

When a player rolls a **Trivia Card** challenge, one of the opposing players draws a card. After the appropriate question has been read, the **DVD Master** selects **Start Timer** and the player must give the correct answer

before the Timer reaches zero. If the rolling player gives the correct answer before time expires, they collect the Trivia Card. If they don't answer correctly, the card returns to the pile.

### Take Three

Select a Trivia Card and answer the question from the three clues provided.

### Songs, Slogans and Sayings

Select a Trivia Card and answer the song/slogan/saying question.

### Mousellaneous

Select a Trivia Card and answer the question about all things Disney.

**Remember:** The on-screen Timer can be adjusted by selecting Timer Settings from the Main Menu, and then choosing the countdown you want.

### PLAYER'S CHOICE or BUZZ CARDS

Rolling this allows players to choose a DVD challenge (My Play) or a Card challenge (any category).

**Note:** Buzz Cards are only part of game play for the full edition of Scene It? In Game Pack play, rolling a Buzz Card is the same as rolling a Player's Choice!

### WINNING THE GAME

When any player accumulates 10 Trivia Cards, they win the game!
