BEFORE STARTING: INSTALL BATTERIES (SEE INSTRUCTIONS ON BACK PAGE), THEN PLACE ALL FASHION ACCESSORIES INTO THE PURSE AND CLOSE THE COVER.

Object of Game

Quickly find the accessory called out, put it on and close the purse before time runs out. The more accessories you have, the more chances you have to win the ultimate beauty makeover.

1. Select number of Players

For 2 to 3 players slide "mode" switch to "2 - 3".
For four or more players slide to "4+".

2. Turn Game On

Turn the power switch to ON, "I".

3. Play

Start game by pressing the play "▶" button. When Barbie® says "**Ready, set, go!**" the player holding the purse will be prompted to find an accessory, put it on, and then close the purse before time is up. The clock counts down. The player must have removed the accessory and closed the purse before time is up. If a player chooses the wrong accessory, they must put it back!

After Barbie® says "**Pass the purse!**" pass it to the next player. Barbie® says "**Ready, set, go!**" and the next player is prompted to find an accessory.

If a player runs out of time before closing the purse, the buzzer will sound and the player will not be able to get an accessory. Barbie® will then say "**Close the purse and pass it!**" and the game will continue. You will start with less time as the game progresses.

Game will automatically shut off if not played with for a while.

Fashion Emergency!

At any time during the game, a "**Fashion Emergency**" may be called. The person holding the purse at that time (or everybody, if so directed) will follow the directions from Barbie®. For example, you may be prompted to give up an accessory, take an accessory from another player or trade accessories. You have 1 minute to complete the task or game will shut "off". You can press play button to continue the game. If the game does shut "off", return all accessories to purse and start a new game. After a pause, Barbie® will say "**Press the play button!**" and play will continue.

The Winner

When the game is completed (about 14 items collected in 2 to 3 players mode or 28 items in 4 or more players mode) Barbie® will call out the winning accessory. The player wearing that particular accessory is the winner and the Fashion Queen! All players must place all the accessories on the winner – the Fashion Queen!
