

Keep these instructions; they contain important information.
IMPORTANT! PLEASE NOTE.

BATTERY SAFETY INFORMATION

CAUTION:

1. Non-rechargeable batteries are not to be recharged.
2. Rechargeable batteries are to be removed from the product before they are charged.
3. If removable rechargeable batteries are used, they are only to be charged under adult supervision.
4. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
5. Do not mix old batteries and new batteries.
6. Only batteries of the same or equivalent type as recommended are to be used.
7. Be sure to insert batteries with the correct polarities, and always follow the toy and battery manufacturer's instructions.
8. Exhausted batteries are to be removed from the product.
9. The supply terminals are not to be short-circuited.
10. For best performance, use alkaline batteries. Battery life may vary depending on battery brand. Toy performance may decrease as batteries weaken.
11. Dispose of batteries properly.

TO INSTALL NEW BATTERIES

1. Unscrew and remove battery cover.
2. Remove old batteries and dispose of safely.
3. Insert 3 new button-cell batteries (type LR44) as shown in the diagram. Alkaline batteries provide best results.
4. Make sure that polarity is correct.
5. Replace battery cover and the screw.

GO BAR

TO OPERATE:

1. Install 3 "C"-size (LR14) batteries as indicated on this panel.
2. Turn on the power switch located on the underside of the truck.
3. Place the Smart Blocks in the dump bed.
4. Press the "Go" bar.
5. You may call the truck back after it has finished its fourth command and the air-brakes sound has played. (The truck will respond to any loud sound.)
6. Turn off the power switch when you have finished playing. Remove the batteries prior to storing the truck for periods of 30 days or more.

NOTE:

1. If no blocks are placed in the bed, the truck will select random driving patterns after the "Go" bar has been pressed.
2. If some blocks are placed in the bed, but others are left out, the truck will combine random patterns with selected patterns.
3. Once the blocks have been placed in the bed and the truck has announced the corresponding driving patterns, the blocks may be removed and other cargo may be loaded.
4. The blocks may be loaded out of order; for example, blocks four and two may be loaded before blocks one and three. The truck will follow the order of events engraved in the dump bed.

2-YEAR LIMITED WARRANTY

Mattel, Inc., warrants to the original consumer purchaser of any product it manufactures that the product will be free of defects in material or workmanship for 2 years (unless specified in alternate warranties) from the date of purchase. If defective, return the product along with proof of the date of purchase, postage prepaid, to Consumer Adjustment Center, 15930 E. Valley Boulevard, City of Industry, California 91744 for replacement or refund at our option. This warranty does not cover damage resulting from accident, misuse, or abuse. Valid only in U.S.A. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Send only the product to the address above. Send all correspondence to Consumer Affairs, Mattel, Inc., 333 Continental Blvd., El Segundo, CA 90245-5012, U.S.A. Or, you may phone us toll-free at 1-800-524-TOYS, Monday through Thursday: 8:00 a.m.-5:00 p.m. PST (11:00 a.m.-8:00 p.m. EST); Friday 8:00-12:30 p.m. PST (11:00 a.m.-3:30 p.m. EST).
