Lightning in a Bottle
(Calitri/ Desalvo/ Ossoff)

*I know it's clear enough
this can't be just beginners luck
I've waited all my life for this
it's such a rollercoaster ride
but I never let it change my mind
for me that's just the way it is*

*I know it's now or never
I've had this dream forever and ever*

Chorus

*The stars are all aligned
I'll make this moment mine
capture it for all time
like lightning in a bottle
once in a lifetime chance
the perfect circumstance*

*I hold it in my hands
like lightning in a bottle*

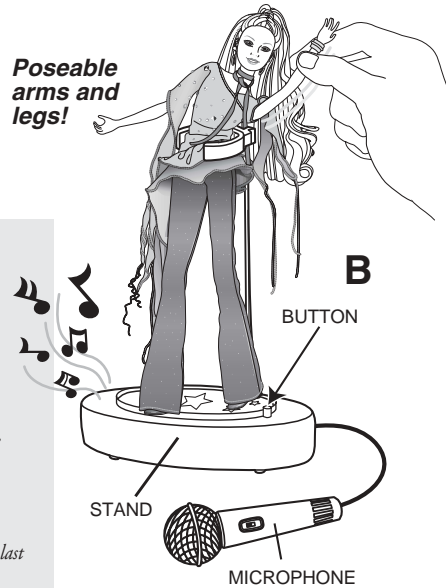

*I think you never quite believed
you never saw what I could be
never saw what I had inside
can't tell a book by its cover
I knew one way or another
that I would get here right on time*

*I know it's now or never
I've had this dream forever*

*happens in a flash wanna make it last
history in the making
had a dream make it true true
finally I'm breaking through*
