Decoration

Proper label application will help keep labels looking their best!
When applying labels, keep the following guidelines in mind:

- Wash hands before applying labels.
- Before applying labels, wipe the surface of the toy with a clean, dry cloth to remove dust or oils.
- For best results, avoid repositioning a label once it has been applied.
- Apply labels as shown in the illustration.

Assembly is now complete!

Track Layout

Track pieces easily snap together. Try making this suggested layout or connect this set to the Tracktown Railway™ (sold separately).

Each GeoTrax™ sign has a small tab that fits into a matching notch in any track piece.

The more you collect, the more fun it gets!

Each sold separately & subject to availability.
