**BATTERY INSTALLATION**

Requires 2 "AAA" (LR03) batteries. For longer life use only alkaline batteries.

Install the batteries as indicated inside the battery compartment. Re-assemble the two halves of the engine, re-insert the screw, and tighten.

If the engine begins to operate erratically, you may need to reset the electronics by removing the batteries from the engine and installing them. Frequency may affect battery life. For longer life use only alkaline batteries.

**BATTERY SAFETY INFORMATION**

- Do not remove the batteries from the engine or connect any interference that may cause undesired operation.
- Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Do not short-circuit the batteries.
- Do not use rechargeable batteries. Use only alkaline batteries.
- Do not mix old and new batteries.
- Do not mix different types of batteries.
- Do not expose the batteries to water or any other liquid.
- Do not expose the batteries to temperatures above 140°F (60°C).

**INSTRUCTIONS**

Keep these instructions for future reference as they contain important information.

**WHAT'S INCLUDED**

- New Zealand: 16-18 William Pickering Drive, Locked Bag #870, Richmond, Victoria 3121 Australia.
- Australia: Mattel Australia Pty. Ltd., 658 Church Street, Sydney, New South Wales 2000.
- France: Mattel France SAS, 6, Rue du Commandant Gluck, 95581 Roissy CDG Cedex, France.
- Germany: Mattel Deutschland GmbH, Postfach 810278, 80336 Munich, Germany.
- Italy: Mattel Italia S.p.A., Via Piemonte 40, 20123 Milano, Italy.
- Great Britain: Mattel UK Ltd, Vanwall Business Park, Maidenhead SL6 4UB. Helpline: 01628 500303.
- Australia: Mattel Australia Pty. Ltd., 658 Church Street, Sydney, New South Wales 2000.
- France: Mattel France SAS, 6, Rue du Commandant Gluck, 95581 Roissy CDG Cedex, France.

- Italy: Mattel Italia S.p.A., Via Piemonte 40, 20123 Milano, Italy.

**ASSEMBLY**

1. POST OFFICE
2. SORTING STATION
3. DELIVERY SET
4. TRACKMASTER™ DELIVERY SET
5. TRACTION UNIT
6. STANDARD TRACK
7. REDESIGNED TRACK!

**HOW TO PLAY**

1. Load the cargo into the Post Office.
2. As Percy reaches the Sorting Station, his special cargo car automatically dumps the shipment down the chute.
3. While he races to retrieve it, the cargo transforms inside the Post Office before emerging on the other side.
4. Use the stop-track to stop Percy, load his new cargo, and send him on his way!

BATTERY INSTALLATION

1. To install the batteries, refer to the diagram and position the batteries into the engine. Be sure to follow the instructions carefully to avoid damage to the engine.

2. Batteries should be replaced once they run out of charge. Replace batteries with new ones immediately to prevent damage to the engine.

BATTERY SAFETY INFORMATION

- Batteries must be replaced as soon as they run out of charge
- Make sure to dispose of used batteries properly
- Do not disassemble or short circuit batteries
- Do not mutilate or incinerate batteries
- Keep batteries away from children
- Only use batteries of the same or equivalent type as recommended
- Batteries must be inserted with the correct polarity
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries
- Do not mix old and new batteries
- Do not mix batteries of different manufacturers
- Do not mix batteries of different types (e.g., lithium, alkaline, etc.)
- Do not mix rechargeable and non-rechargeable batteries
- Do not mix batteries that have been subjected to heat or a short circuit
- Do not dispose of batteries in fire

INFORMATION FOR CLASS B DEVICES

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

NOTE: Changes or modifications not expressively approved by the manufacturer responsible for compliance could void the user’s authority to operate the equipment.

FCC IDENTIFICATION INFORMATION

ID: BHY57-0920G2

Model: THOMAS & FRIENDS TRACKMASTER

Redesigned Track!

More realistic track works with all TrackMaster™ sets.

Motorized Engines may not work with all TrackMaster™ sets.

The battery is a one-time snap. It cannot be taken apart.

WARNING:

To prevent entanglement, do not let the child use the track until he is at least 3 years old.

To prevent choking, do not allow the child to play with loose parts.

To prevent fire, do not use batteries in fire.

To prevent injury, do not let the child play with small parts.

To prevent damage, do not expose the equipment to water.

CAUTION:

To prevent damage, do not expose the equipment to extreme temperature.

ELECTROMAGNETIC COMPATIBILITY

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

CAUTION: (U.S. Only)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

NOTICE: Changes or modifications not expressively approved by the manufacturer responsible for compliance could void the user’s authority to operate the equipment.

This equipment complies with IC RSS-247 and RSS-102, Issue 1 and 2. Use in a residential area may cause radio interference requiring the user to take corrective actions.

This equipment complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

ADULT ASSEMBLY REQUIRED.
INSTRUCTIONS

Keep these instructions for future reference as they contain important information.

WHAT'S INCLUDED

BATTERY INSTALLATION

To install the batteries, follow these steps:

1. Open the battery compartment.
2. Insert the batteries according to the polarity indicated inside the compartment.
3. Close the battery compartment.

BATTERY SAFETY INFORMATION

- Do not mix old and new batteries.
- Do not mix different types of batteries (e.g., alkaline and manganese).
- Do not dispose of batteries in a fire.
- Keep batteries out of reach of children.

ASSEMBLY

- Henry the Sodor Engine & Friends
- Percy the Small Engine

RESERVED TRACK!

- Connect the new track module to the existing track.

POST OFFICE

- Load the cargo onto the train.

SORTING STATION

- The cargo automatically loads into the sorting station.

THOMAS & FRIENDS TRACKMASTER DELIVERY SET

- Updated the FCC reference as they contain important information.

WHAT TO PLAY

1. Load the cargo into the Post Office.
2. As Percy reaches the Sorting Station, his special cargo car automatically dumps the shipment down the chute.
3. While he races to retrieve it, the cargo transforms inside the Post Office before emerging on the other side.
4. Use the stop-track to stop Percy, load his new cargo, and send him on his way!
BATTERY INSTALLATION

Required tool: Phillips screwdriver (not included)

Requires 2 "AAA" (LR03) batteries. For longer life use only alkaline batteries.

If the engine begins to operate erratically, you may need to reset the electronics by removing the batteries from the engine and reinstalling them.

ACCESS THE BATTERY COMPARTMENT BY UNSCREWING AND SEPARATING THE TOP AND BOTTOM HALVES OF THE ENGINE. PULL OUT THE BATTERY HOLDER AND INSERT THE BATTERIES. CHECK THE POLE MARKING TO ENSURE THE BATTERIES ARE INSERTED CORRECTLY. SNAP THE BATTERY HOLDER SECURELY INTO THE ENGINE. REDISEGNET TRACK!

ASSEMBLY

TRACK LAYOUT

POST OFFICE

SORTING STATION

NOTE: This part is a "snap-on" component that "clicks" into place when attached to the riser. Excess track can be trimmed to the correct length using scissors or pliers. To keep the engine driven on the track, connect the stop-track to the riser of the Deluxe Delivery Set. The stop-track snaps securely to the riser.

Press down until the track is securely connected.

BATTERY SAFETY INFORMATION

- Improperly disposed of batteries may leak and cause damage to the electrical circuits of the engine.
- Batteries may leak and cause damage if not disposed of properly.
- Batteries may leak and cause damage if not disposed of properly.

WARNING:

- Improperly disposed of batteries may leak and cause damage to the electrical circuits of the engine.
- Batteries may leak and cause damage if not disposed of properly.
- Batteries may leak and cause damage if not disposed of properly.
