1 BATTERY REPLACEMENT

- Batteries included are for demonstration purpose only.
- Replace batteries when propellers slow down or sounds distort.
- Push button with a pen (not included), then lift mid-section of chopper to separate parts. (see 1)
- Pull mid-section and propellers away from the body. (see 2)
- Flip mid-section over to access the battery compartment. Unscrew the battery cover with a Phillips head screwdriver (not included). Remove batteries and dispose of them safely.
- Install 3 new AA (LR6) alkaline batteries (not included) in the orientation (+/-) shown. Replace battery cover and tighten screw. For longer life, use alkaline batteries. (see 3)
- Fold propellers into the horizontal position. (see 4)
- Rotate and center the handle. (see 5)
- Slide mid-section and propellers back into the body. Make sure the moving joints are aligned correctly or else the parts will not connect. (see 6)
- Press the mid-section down to lock parts together. (see 7)
- When exposed to an electrostatic source, the product may malfunction. To resume normal operation, remove and re-install the batteries.

BATTERY SAFETY INFORMATION

In exceptional circumstances batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the product before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Do not mix old and new batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- The supply terminals are not to be short-circuited.
- Dispose of battery(ies) safely.
- Do not dispose of this product in a fire. The batteries inside may explode or leak.

Battery Performance Note:
For best performance use alkaline batteries. Battery life may vary depending on battery brand.

Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities.
