

BATTERY REPLACEMENT

Batteries included are for demonstration purposes only. Requires 3 AAA (LR03) alkaline batteries.

Toy uses 3 replaceable AAA (LR03) alkaline batteries. *When the screen flickers or becomes dim, change the batteries.* To replace batteries, use a Phillips head screwdriver (not included) to open battery door. Remove and set aside. Insert 3 replaceable AAA or LR03 alkaline batteries as shown. Use either AAA or LR03 alkaline batteries or equivalent. Replace battery cover and screw closed.

BATTERY SAFETY INFORMATION

In exceptional circumstances batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the product before being charged (if designed to be removable).
- Rechargeable batteries are only to be charged under adult supervision (if designed to be removable).
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.

- Do not mix old and new batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- The supply terminals are not to be short-circuited.
- Dispose of battery(ies) safely.
- Do not dispose of this product in a fire. The batteries inside may explode or leak.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

THIS CLASS B DIGITAL APPARATUS COMPLIES WITH CANADIAN ICES-003. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

CET APPAREIL NUMERIQUE DE LA CLASSE B EST CONFORME A LA NORME NMB-003 DU CANADA. L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes : (1) il ne doit pas produire de brouillage et (2) il doit pouvoir tolérer tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre son fonctionnement.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by consulting the dealer or an experienced radio/TV technician for help.

TROUBLESHOOTING

**SLEEP MODE begins after 2 minutes of inactivity.**

TRY ME PULL TAB

The pull tab in the Try Me slot should be automatically removed when toy is taken out of the package. If not, simply remove the pull tab before playing.

RESET BUTTON

If the game goes black or crashes, use the RESET button to start over. Ask an adult to insert a metal tip, such as a bent paper clip, into the hole.

When exposed to an electrostatic source, the product may malfunction. Reset the product if this occurs.
