SHARK SHIP!™ SET

Build Your Own Adventure™

Enter the world of Mega Rig® Adventures! A great adventure awaits as you travel into the vast ocean in search of a precious treasure.

WARNING:
CHOKING HAZARD - Small parts.
Not for children under 3 years.

The Matchbox® Mega Rig® Team is off on another adventure - to find a valuable treasure on the bottom of the ocean!

Using the special Mega Rig® building system they break down their ship and rebuild into all kinds of special water vehicles.

Soon they are cruising over the deep blue sea as a massive team, diving and searching. There are all kinds of ships to build, from harpoon boats, to speedboats, to massive cruisers. Everything seems to be running smoothly - a diver is in the water, searching the sea floor.

When suddenly, **DISASTER!**

An enormous shark has swallowed your Mega Rig® Diver whole! Time to really show what the Mega Rig® building system can do! Reconfigure into a shark capture team, and get after that shark!

As soon as you get him, you can rescue your diver and release the shark back into the water. You'll need all your equipment, all your wits, and a great team! **GOOD LUCK!**

Your Shark Ship™ set parts are good to use in water. The chassis are colored blue to let you know they are water-friendly. Only the blue chassis are good for water, so do not use chassis from other Mega Rig® products unless they are blue.
