

# Create thousands of fashion combos!

Before playing, first remove the 2 cardboard cards included for TRY-ME purposes.

- 1 Push the 2 small pink buttons on sides to remove each cartridge. Make sure the SLIDER is all the way to the LEFT.

- 2 Insert one background card into the frame (left) cartridge.

- 3 Load the fashions and character cards into the card holding (right) cartridge. Make sure the cards are inserted above the spring loaded plate. The cards can be inserted any order.

- 4 Load both cartridges into the sorter, as shown.

- 5 Move SLIDER to RIGHT. Then move it back to the LEFT. A card is grabbed and moved to the left side. If you do not want to use this card, simply move the slider back to the right side again. Another card is grabbed and moved to the left side when you move the slider to the left again. Keep doing this until you see a card you want to use.
  1. The first card you want to install is one character card.
  2. The second card would be a piece of clothing, such as pants or skirt or dress.
  3. The third card would be another piece of clothing, such as a top.
  4. The final card(s) would be an accessory card, such as shoes or purse.

**NOTE:** Left cartridge can hold no more than 5 cards (excluding background card). More than 5 cards released to the frame (left) cartridge might cause a jam and the cartridge could get stuck. If too many cards are dropped, the cartridge may not come out of the sorter. Reach through the left window and remove any extra cards. These cards can be put back into the card holding (right) cartridge. **Sorter works best placed on a flat, level surface, such as a table.**

- 6 Push the LARGE button (to left of slider) when you see a card that you want to use. That card is released and lowered down on the left side.

- 7 When you have loaded all the cards you want into the left cartridge, the FLOWER in the lower right side will be complete when an outfit is complete.

- 8 Remove the LEFT cartridge, and open out the stand on the back. Display on your desk or table!

CARDS have different colors that indicate type of card, such as all character cards have a border in the color pink, and the shoes cards are orange.

The sorter has a handle so that you can take the fun with you!
