## GAME PLAY

### Object:

Be the first player to put four scoops of ice cream in your Ice Cream Bowl!

## Set up:

Each player chooses an empty Ice Cream Bowl and places it in front of himself / herself. Then, place the 30 Ice Cream Scoop cards in the center of the playing area, with the ice cream side face down, and mix them up.

## Let's Play!

Youngest player goes first.

Squeeze the Ice Cream Scooper so it spins and lands on one of the three flavors – vanilla (cream), strawberry (pink) or chocolate (brown). If the Scooper lands on sections of 2 flavors, squeeze the scooper again!

Show the other players what flavor appears in the scooper. Yell out what flavor you want to match and turn over one of the Ice Cream Scoop cards, so the flavor/color is facing up.

If the flavor in the scooper matches the flavor of the scoop of ice cream on the table, scream "Ice Cream" and put that Ice Cream Scoop disk on your empty Ice Cream Bowl.

If the flavor in the scooper DOES NOT match the flavor

of the scoop of ice cream on the table, turn the disk back over to its face down position and pass the Ice Cream Scooper (clockwise) to the player on your left.

Take one turn per player – whether you match flavors or not. Play continues until one player fills his or her bowl with four scoops of ice cream.

### **WINNING:**

Be the first player to put four scoops of ice cream in your Ice Cream Bowl!
