BATTERY INSTALLATION

Unscrew the battery screws on the bottom of Thomas and gently insert the batteries. Reassemble and replace the battery compartment lid.

For longer life, use only alkaline batteries. Replace both batteries at the same time. If the toy begins to operate erratically, you may need to reset the electronics. Remove the batteries from the toy, and repeat.

BATTERY SAFETY INFORMATION

- Batteries are to be inserted with the correct polarity.
- Batteries are to be disposed of properly. Batteries are not to be thrown into a fire.
- Batteries are to be inserted with the correct polarity.
- Batteries are to be recharged in an approved charger with the appropriate charger and power supply. Rechargeable batteries are to be charged under adult supervision.
